You will also need:
1/4 yard Binding Fabric
20” x 62” Quilt Batting

Notes Before You Begin

- Please read through all of the instructions before beginning.
- All of the seam allowances are 1/4” unless otherwise noted.
- Press seam allowances open unless otherwise noted.
- Width of fabric (WOF) is equal to at least 42” wide.
- Remember to measure twice and cut once!
- **Printing the Template:** Print pages 5-8 at 100% and then tape together along the red lines, matching the center circle.

Cutting Instructions

**Side A**

**Fabrics A & B (From each fabric)**
- Cut four squares 4-3/8” x 4-3/8”, then subcut on the diagonal to make two triangles from each square.
- Cut two squares 4-3/4” x 4-3/4”, then subcut on the diagonal twice to make four triangles from each square.

**Fabric C**
- Cut nine strips 1-3/4” x WOF, then subcut:
  - Sixteen strips 1-3/4” x 9”.
  - Sixteen strips 1-3/4” x 3”.
  - Eight strips 1-3/4” x 5-1/2”.
  - Eight strips 1-3/4” x 13”.

**Fabric D & E (from each fabric)**
- Cut one strip 5-1/2” x WOF, then subcut
  - Eight rectangles 3” x 5-1/2”.
  - Two squares 5-1/2” x 5-1/2”.

**Side B**

**Fabric A & B (from each fabric)**
- Cut two squares 6” x 6”, the subcut on the diagonal to make two triangles from each square.

**Fabric C**
- Cut three strips 2-1/4” x WOF, then subcut:
  - Eight strips 2-1/4” x 11”.

**Fabric D & E (from each fabric)**
- Cut two pieces from each fabric.
Assemble Blocks for Side A

1. Sew a Fabric C 1-3/4" x 5-1/2" strip to two sides of a Fabric E square, then sew a Fabric D rectangle to each short side of the C/E unit.

2. Sew a Fabric C 1-3/4" x 13" strip to the top and bottom of the C/D/E unit. Press seam allowances toward Fabric C and trim excess fabric from the ends of the strip.

3. Sew a Fabric C 1-3/4" x 3" strip to either side of a Fabric D 3" x 5-1/2" rectangle, then sew a small Fabric A triangle to either side. Repeat to make a second unit.

4. Sew a Fabric C 1-3/4" x 13" strip to the long side of a large Fabric A triangle. Trim the excess fabric from the ends of the strip, as pictured, following the angle of the triangle. Repeat to make four units.

5. Assemble the units, as pictured. The finished block will measure 14-1/2" x 14-1/2". Trim if necessary.

6. Repeat steps 1-5 to make one more red block and then follow the same steps to make two green blocks.

Assemble Side A

1. Sew the blocks together into one row of four blocks, alternating red and green blocks and matching seams.
**Assemble Blocks For Side B**

1. Sew a Fabric C strip to each long edge of a Fabric E template piece.

![Diagram showing block assembly](image1)

2. Flip and press the strips flat and trim off the excess fabric, using the edge of the Fabric E piece as a guide.

3. Sew a Fabric A triangle to the Fabric C strips, then flip and press the triangle flat. Trim the edges of the triangles to be even with the rest of the block. Block will measure 14-1/2" x 14-1/2".

![Diagram showing final block assembly](image2)

4. Repeat steps 1-3 to make one more red block and two green blocks.

**Assemble Side B**

1. Sew the blocks together into one row of four blocks, alternating green and red blocks.

![Assembled blocks](image3)

**Finishing**

1. Since the front and back of this table runner are the same size, very carefully baste together each side of the table runner with the batting in between.

2. Quilt and bind as desired.
All Wrapped Up: Template A
Print pages 5-8 at 100% and tape together along red lines, matching the circle.
