Piecing Instructions

Make Alphabet Blocks

Follow the quilt illustration to match up the fabric colors in each block, or mix them up any way you prefer.

Step 1: Sew 4 triangles made from the 4" x 4" squares to the sides of a fussy cut letter block in the order pictured.

Repeat for all 26 squares.

Step 2: Sew a triangle made from the 3-1/2" x 3-1/2" squares to a 2" x 7" rectangle.

True up edges into a triangle.

Repeat to make 120 units.

Step 3: Sew 4 matching triangle units to an alphabet block in the order shown.

True up the block to 8-1/2" x 8-1/2".

Repeat to make 26 blocks (You will have 16 triangle units left over for the Character Blocks).

Make Character Blocks

- Repeat Step 3 above to make 4 Character Blocks.

Assemble Quilt

Step 1: Following the quilt illustration as a guide, sew 6 striped strips to 5 blocks, alternating strips and blocks. Press seam allowances toward striped strips. Make 6 rows.

Step 2: Sew 6 Kona White squares to 5 striped strips, short ends together, to create sashing rows. Make 7 sashing rows. Press seams toward striped strips.

Step 3: Sew block rows and sashing rows together. Begin with a sashing row and alternate block row and sashing row. Press seams toward sashing rows.

Your quilt top is complete! Baste, quilt, bind and enjoy.
