Animal Parade

Designed by Robert Kaufman Fabrics

Featuring Jungle Party

Finished quilt measures: 45" x 54"

Shown in “Bermuda” Colorstory. For “Bright” Colorstory see page 5

Pattern Level: Confident Beginner

“I have basic block construction down and would like to learn a new trick!”

</table>

You will also need:
- 10" x 10" piece of Template Plastic
- 3/8 yard Binding
- 3-1/8 yards Backing Fabric and Batting

## Notes Before You Begin

- Please read through all of the instructions before beginning.
- All of the seam allowances are 1/4" unless otherwise noted.
- Width of fabric (WOF) is equal to at least 42" wide.
- Press all seam allowances open after each seam is sewn, unless otherwise noted.
- Remember to measure twice and cut once!

## Making the Triangle Template

- Print page 6 and 7 at 100% and tape the two pages together to make a complete triangle. Trace the triangle onto template plastic and cut out along the seam allowance line. This template will be used to cut all of the triangles.
Cutting Instructions

**Fabrics A, B, C, D, E (prints)**
- Cut two strips 10” x WOF from each fabric.
  - Cut each strip into triangles using the plastic template. You will need six triangles from each fabric (with the print facing in the correct direction). Cut four triangles from one strip and two from the other.

![Diagram showing triangle cutting](image1)

**Fabrics F, G, H, I, J, K (solids)**
- Cut one strip 10” x WOF from each fabric.
  - Cut each strip into triangles using the plastic template according to the list below:
    - **Fabric F**: seven triangles
    - **Fabric G**: five triangles
    - **Fabric H, I, J, K**: six triangles

![Diagram showing triangle cutting](image2)

Assembly Instructions

You will be sewing the triangles into six rows of eleven triangles each.

- Place a Fabric F triangle, upside down, with a Fabric B triangle, right side up, next to it (fig. 1).

- With right sides together, line the edges of the triangles up so that the top and bottom will line up once sewn (this means you will need to shift the top triangle up or down so that the edges meet right where you will be sewing the 1/4” seam) (fig. 2 & 3). Sew together and press seam, then proceed to sew the next triangle in the row.

![Diagram showing triangle sewing](image3)
- Follow the assembly diagram (fig. 4) to sew the triangles into six rows of eleven triangles each. Next, sew the rows together, lining up the triangle points with the center of the triangle in the row below it.

- Trim the extra triangles from sides to even them up.

Your quilt top is complete!
Baste, quilt, bind and enjoy.
