- Center the shorter Fabric E strips along the top and bottom of Panel A and sew. Start and stop the stitching 1/4" from the corners.
- Repeat with the longer Fabric E strips along the sides of the panel.
- Fold the quilt diagonally and miter the corners. Trim the excess fabric and repeat for the other three corners.
1. Place a Fabric D 3-1/2" square, right sides together, on the right end of a Fabric G 3-1/2" x 22-1/2" rectangle.

2. Sew diagonally from the upper left corner to the lower right corner. Trim to a 1/4" seam allowance, flip and press corner flat.

3. Repeat steps 1 and 2 to make a second unit.

4. Repeat steps 1 and 2 to make two more units, but sew on the diagonal in the opposite direction.

5. Sew a Fabric C 3-1/2" x 22-1/2" rectangle long sides together with a D/G unit, as pictured.

6. Repeat with the three remaining D/G units and Fabric C strips.

7. Place a Fabric D 6-1/2" square, right sides together on the end of a C/D/G Unit as pictured below. Mirror the seam of the smaller fabric D triangle by sewing diagonally from corner to corner. Trim seam allowance to 1/4" and flip and press the corner flat.

2. Repeat step 1 to make eight B/F sets.

3. Place a fabric D 6-1/2" square right sides together and aligned with the right edge of set B/F.

4. Sew diagonally from the top left corner to the bottom right corner of the square. Trim seam allowance to 1/4", then flip and press corner flat.

5. Repeat steps 3 and 4 to make three more units.

6. Repeat steps 3 and 4 to make four more units, but sew on the diagonal in the opposite direction. Set aside.

7. Place two Fabric D 3-1/2" squares in opposite corners of a Fabric F 6-1/2" square with right sides together. Sew diagonally, as pictured, and trim seam allowances to 1/4". Flip and press corners flat.

8. Repeat step 7 to the remaining two corners of the Fabric F square.

9. Repeat steps 7 and 8 to make a second block.
10. Sew two units on each side of a block to complete the Side Outer Border and then sew the Side Outer Border to a Side Inner Border, as pictured.
