You will also need:
1/4 yard Binding
1-1/8 yards Backing Fabric and Batting

Notes Before You Begin

- Please read through all of the instructions before beginning.
- All of the seam allowances are 1/4" unless otherwise noted.
- Width of fabric (WOF) is equal to at least 42" wide.
- Press all seam allowances open after each seam is sewn, unless otherwise noted.
- Remember to measure twice and cut once!

Cutting Instructions

Fabric A
- Cut fifteen strips 2-1/2" x WOF.

You can easily adjust the size of this quilt by adding or subtracting the number of strips used.

Assembly Instructions

1. Number your strips from 1-15 and lay them out vertically with the red color at the top.

2. Starting with Strip 2, place it to the right of Strip 1, with the starting point (the red) 5" up from the top of Strips 1 and 3.
Strip 4 is placed 10" up from the top of Strips 3 and 5.
Strip 6 is placed 15" up from the top of strips 5 and 7.
Strip 8 is placed 20" up from the top of Strips 7 and 9.
Strips 10, 12 and 14 are placed in reverse order, ending with Strip 14 being placed 5" up, between 13 and 15.
3. If you like this arrangement, cut off the upper portion of the even numbered strips (this would be best done one strip at a time).

   *Note: if more or less of a "V" shape is desired, arrange as necessary.*

4. Sew the segments that were just cut off to the bottom of the corresponding strip, with the blue color seamed to the red color.

5. With the even numbered strips sewn together, all 15 strips should be equal in length.

6. Sew the strips together, in order (1-15), with a 1/4" seam allowance.

   Tip: Lay the strips flat and pin them in several places before sewing. This will prevent the long strips from warping or stretching.

7. Layer and quilt as desired.

8. Add a rod pocket and binding.
