You will also need: 5 yards Backing Fabric and Batting

### Notes Before You Begin

- Please read through all of the instructions before beginning.
- All of the seam allowances are 1/4" unless otherwise noted.
- Width of fabric (WOF) is equal to at least 42" wide.
- Press all seam allowances open after each seam is sewn, unless otherwise noted.
- Remember to measure twice and cut once!

### Cutting Instructions

**Fabrics A, B, C, D and E**

- Cut ten strips 2-1/2" x WOF from each fabric.

**Fabric F**

- Cut two strips 2-1/2" x at least 86" (cut lengthwise along the selvage of the fabric, so you do not need to piece the strips.).
- Cut two strips 2-1/2" x at least 54" (also cutting along the selvage.).
- Cut twenty-five rectangles 2-1/2" x 7-1/2" from the remaining fabric (you should be left with a piece of fabric that is 30" x 90". Cut seven strips that are 2-1/2" x 30" and then subcut the rectangles from those strips.).

**Fabric G**

- Cut eight strips 2" x WOF (For binding).
Assembly Instructions

Step 1: Make Strips Sets

- Sew a Fabric A strip, short sides together, to a Fabric F 2-1/2" x 7-1/2" rectangle. Sew a Fabric C strip to the other side of the Fabric F rectangle.

- Repeat to make ten identical A/F/C strip sets.

- Sew a Fabric E strip, short sides together, to a Fabric F 2-1/2" x 7-1/2" rectangle. Sew a Fabric B strip to the other side of the Fabric F rectangle.

- Repeat to make ten identical E/F/B strip sets.

- Sew a Fabric D strip to either short end of a Fabric F 2-1/2" x 7-1/2" rectangle.

- Repeat to make five identical D/F strip sets.

Step 2: Make Strip Units

- Place five A/F/C strip sets side by side, as pictured, with Fabric A towards the top.

- Slide strip 2 upwards 3-1/2", so that the bottom of the Fabric F white rectangle aligns with the center of the white rectangle on strip 1. Sew strips with right sides together.

- Repeat to sew all five strips together, continuing to shift each strip upwards 3-1/2".
- Continue sewing the strips into units, as pictured. Each set will either shift upwards by 3-1/2" increments, or downwards by 3-1/2" increments. Make five strip units total.

**Step 3: Assemble the Quilt**

- Sew the units together lengthwise to assemble the quilt top. The Fabric F rectangles will line up on the adjoining units.

- Trim the excess fabric along the top and bottom of the quilt top to create a straight edge.

- Sew the Fabric F 54" strips to the top and bottom of the quilt top and trim excess.

- Sew the Fabric F 86" strips to the sides of the

- Baste and quilt as desired, then bind using the Fabric G strips.

Enjoy your new quilt!
