one 3-1/2" square

**From each of seven prints, cut:**

two 3-1/2" x 20" strips. Subcut:

eight 3-1/2" squares for the Churn Dash Stars

**From the Binding Fabric, cut:**

Make the Animal Blocks

**Step 1** Arrange a variety of 3-1/2" squares around each animal block. Sew three squares together and sew to the left and right edges of the block and press as shown.

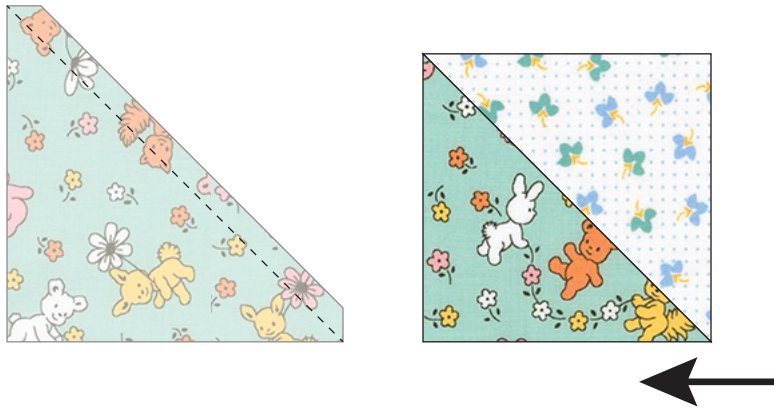

Sew five squares together and sew to the top and bottom edges of the block and press as shown.

*TIP: Sew with the animal square on top so you can stitch just inside the dark squares in the check border.*

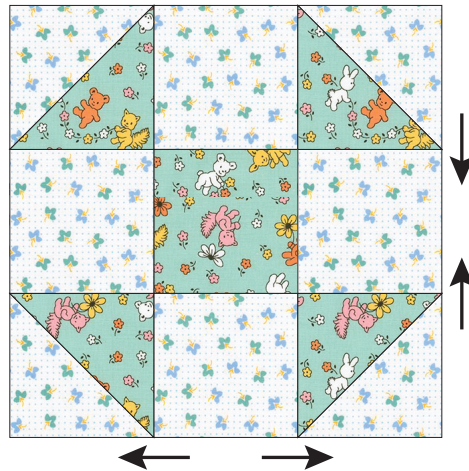

At this point the blocks should measure 15-1/2" square. Repeat to make eight Animal Blocks. *NOTE: You will have squares left over; save these for the side borders.*

## Assemble the Churn Dash Star Blocks

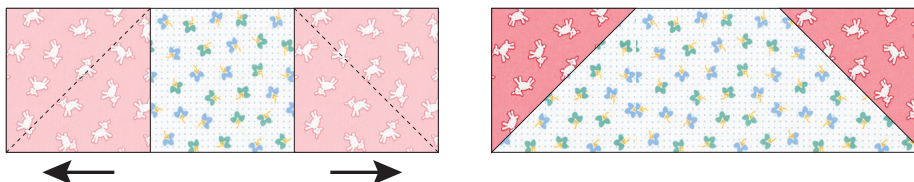

**Step 2** Sew a light background print triangle (Fabrics B, C or D) right sides together with a darker print triangle. Make four matching units from each of the seven prints. Press toward the darker print.

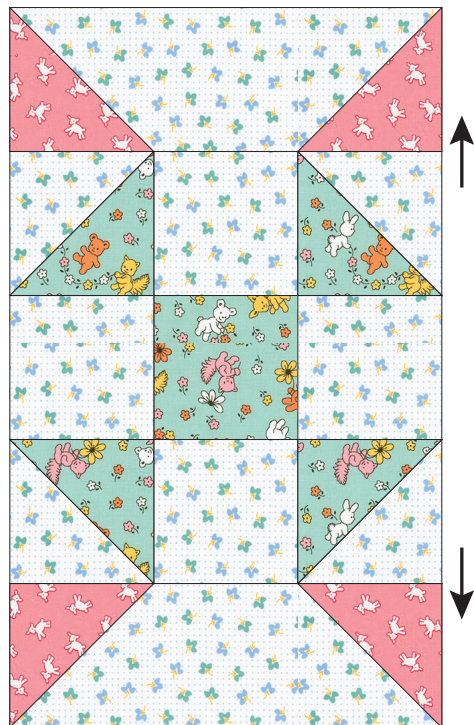

**Step 3** Sew four light matching background prints with four matching units from Step 2 and one matching print square as shown. Press. At this point the block should measure 9-1/2" square. Make seven.

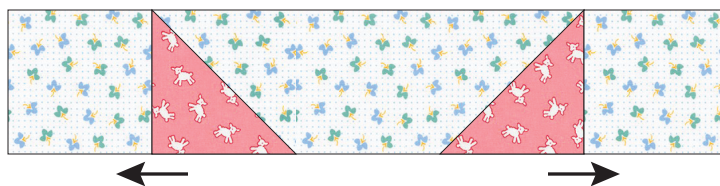

**Step 4** Sew a coordinating print square to one end of the background print rectangle as shown. Repeat on the other end of the background print rectangle. Trim the seam allowance to 1/4" and press as shown. Make four matching rectangles for each block.

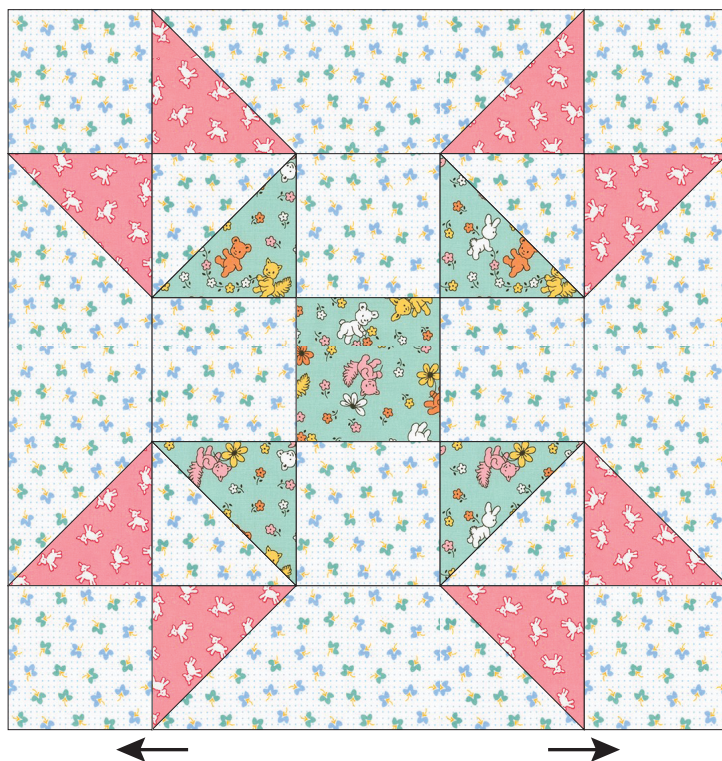

**Step 5** Sew a Step 4 unit to the top of a Churn Dash block. Repeat at the bottom of the block. Press as shown. Repeat for each of the Churn Dash blocks.

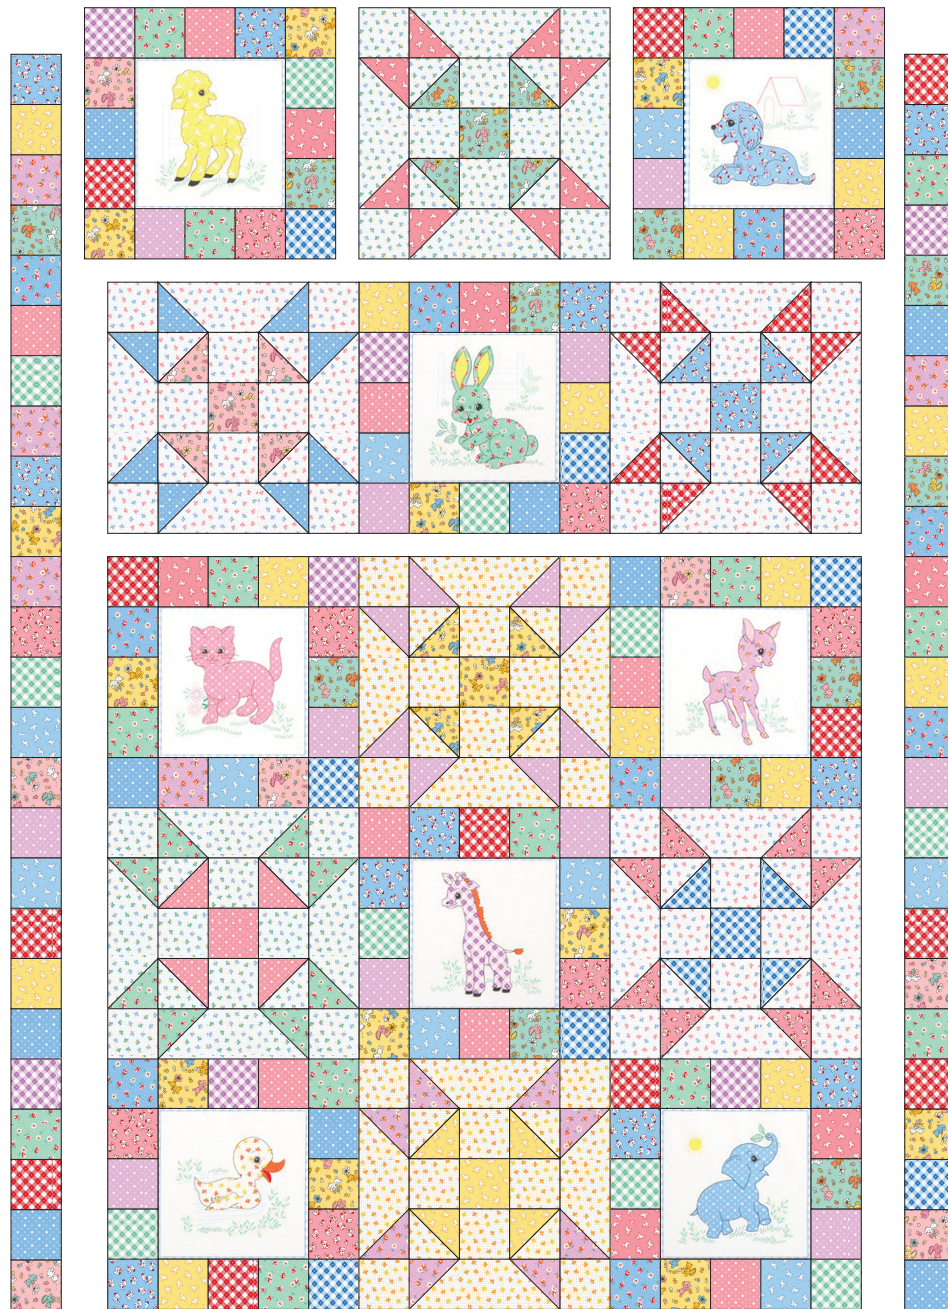

**Step 6** Sew matching background squares to the ends of the remaining Step 4 units. Press as shown.

**Step 7** Sew matching Step 6 units to each of the blocks from Step 5. Press as shown. At this point the blocks should measure 15-1/2" square. Repeat to make seven Churn Dash Star Blocks.

## Assembling the Quilt

**Step 8** Arrange the Animal and Churn Dash Star blocks in five rows of three, as shown in the Quilt Assembly Diagram. Join the blocks in rows, matching and pinning the seams between the blocks. Press toward the Animal Blocks.

**Step 9** In the same manner, join the rows to complete the quilt top. Press the row seams all one direction.

**Step 10** Using the 3-1/2" print squares leftover from the animal blocks, join the squares into two vertical strips of twenty-five squares. Press the seams to alternate with the sides of the quilt. Match and pin seam allowances. Sew to the sides of the quilt. Press toward the borders.
