**template 1**

make sixteen
- Assemble the pieces into rows following the diagram below, then sew the rows together, making sure to match the same seams that are matched on the diagram.
- Once the quilt top is together, trim the sides to be even with the narrowest row.

**Assembly Diagram**

The letter corresponds to the fabric and the number corresponds to the template. You will have a few extra pieces, so feel free to play around with the layout and make it your own!

Your quilt top is complete! Baste, quilt, bind & enjoy.
