## Notes Before You Begin

- Please read through all of the instructions before beginning.
- All of the seam allowances are 1/4" unless otherwise noted.
- Width of fabric (WOF) is equal to at least 42" wide.
- Press all seam allowances open after each seam is sewn, unless otherwise noted.
- Remember to measure twice and cut once!

- You will be sewing strip sets and then cutting triangles. Print the template on pages 7 & 8 at 100%, cut out along seam allowance and tape together, **OR** use a 7" (or larger) quilter's right triangle ruler with the guide lines parallel to the long side of the triangle.

## Cutting Instructions

### Fabric A

- Cut eleven strips 4" x WOF.

### Fabric B

- Cut seven strips 4" x WOF.

### Fabric C

- Cut fourteen strips 4" x WOF.

### Fabric D

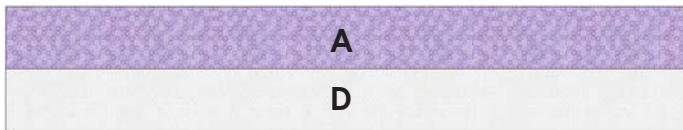

- Cut thirty-two strips 4" x WOF

## Assembly Instructions

### Step 1: Make Strip Sets

- Sew strips, long sides together, into sets of two strips each. Each Fabric A, B and C strip will be matched up with a Fabric D strip. Press seams open.

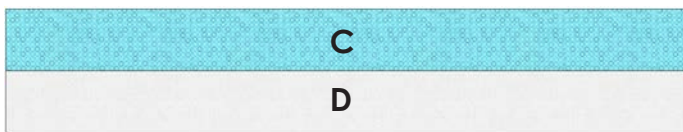

*Tip: Pin strips together while they are laying flat on a table. This will avoid warping. Lightly starch the strip sets, once sewn, to make them easier to cut into triangles.*

Fabrics A & D  
Make eleven strip sets

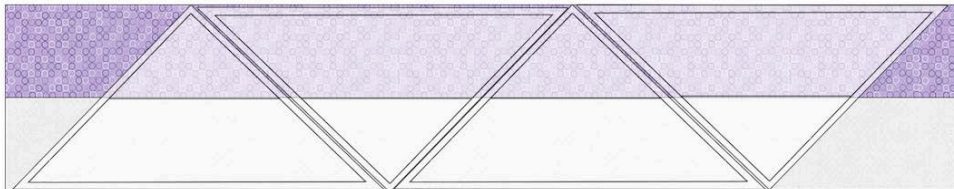

Fabrics B & D  
Make seven strip sets

Fabrics C & D  
Make fourteen strip sets

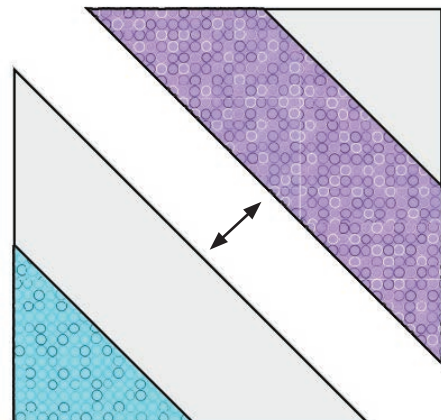

### Step 2: Cut Triangles

- Using the template or a ruler, cut four triangles from each strip set. Make sure that the center horizontal line is lined up with the center seam as you cut.

### Step 3: Make Blocks

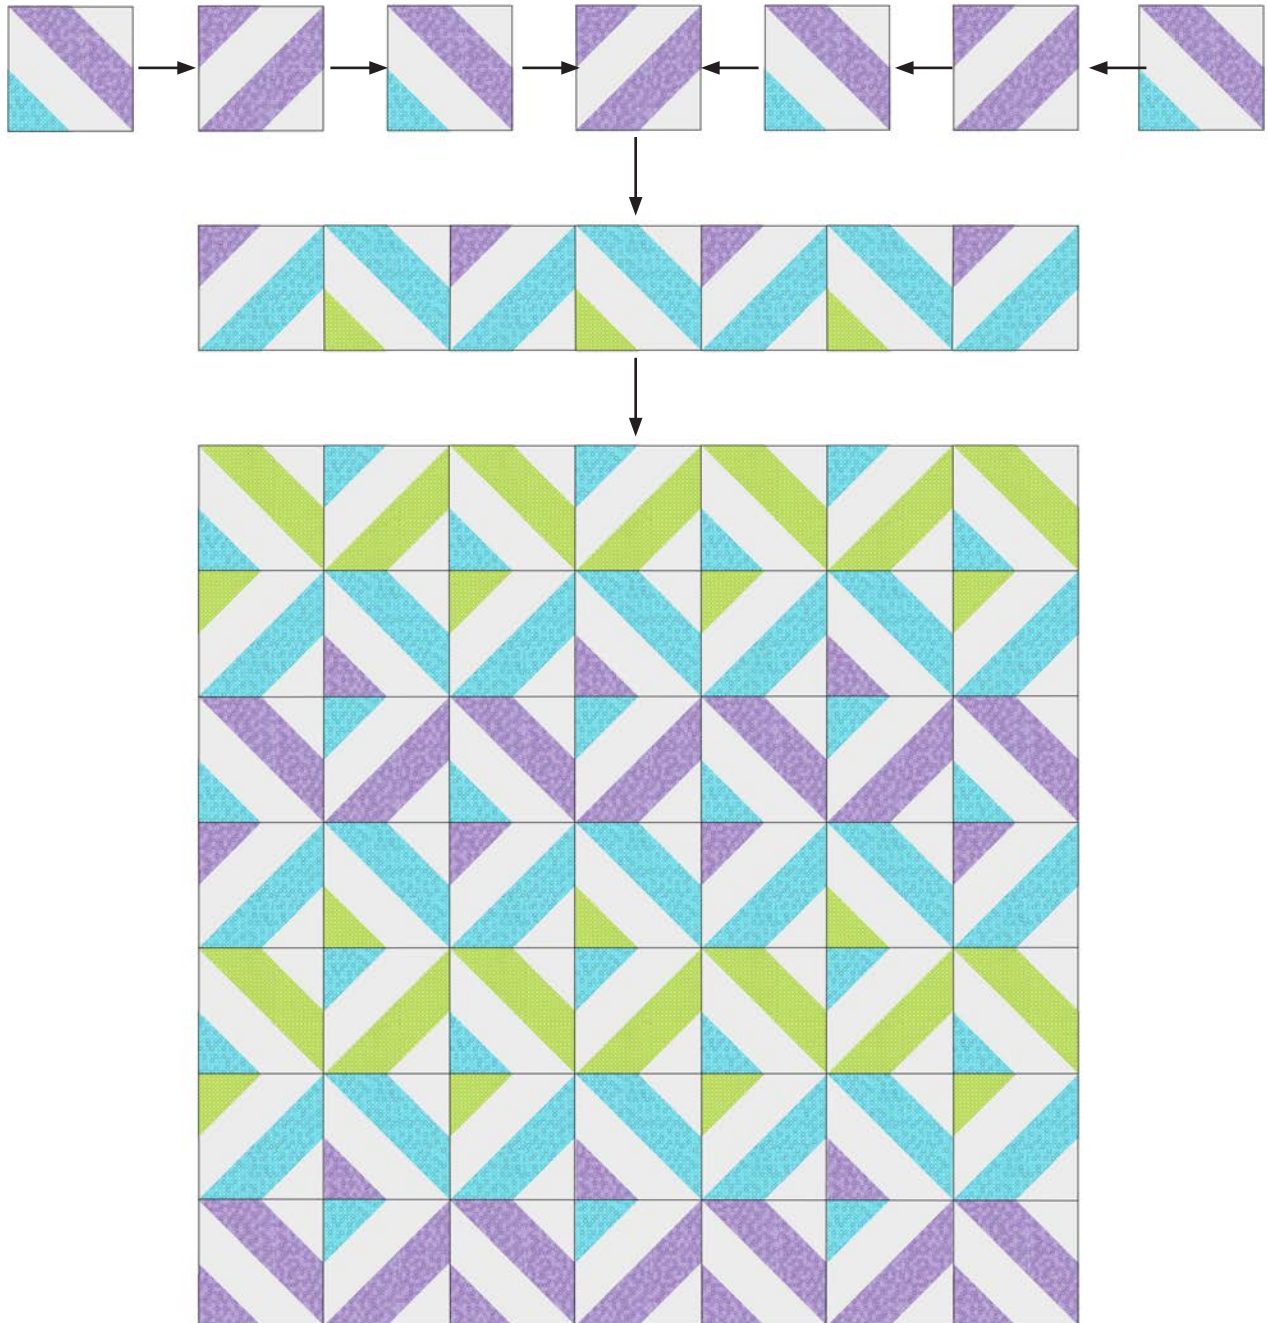

- Using the assembly diagram on page 4 as a guide, sew two triangles, long sides together. Trim block to 10-1/2" if necessary.
- Repeat to make sixty-three blocks.

#### Step 4: Assemble Quilt Top

- Sew blocks into nine rows of seven blocks each and then sew rows together to make the quilt top.

Your quilt top is complete! Baste, quilt, bind & enjoy.
