Notes Before You Begin

- Read through all of the instructions before beginning.
- All of the seam allowances are 1/4" unless otherwise noted.
- Press seam allowances open unless otherwise noted.
- Width of fabric (WOF) is equal to at least 42" wide.
- Right sides together has been abbreviated to RST.
- Remember to measure twice and cut once!

Cutting Instructions

From the Binding Fabric, cut:
seven 2-1/2" x WOF strips.

Ten Square squares will be cut in the steps below.

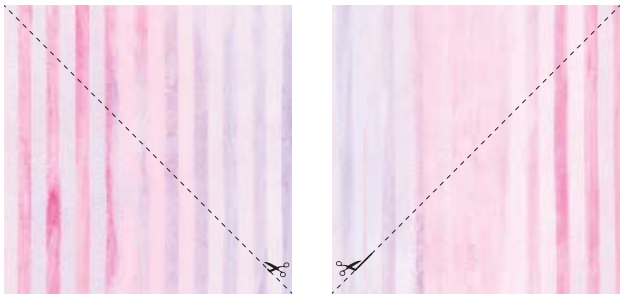
Sorting
Unwrap the Ten Square pack and separate each fabric in different piles. You will have a total of:

four A squares
six B squares
four C squares
eight D squares
six E squares
four F squares
six G squares
four H squares

Within each fabric stack, make pairs of squares, working to pair each fabric with a square that is most similar in color. Due to the nature of the fabric colorings and how they change subtly across the fabric, each quilt will vary slightly from the sample on the cover. Just work to pair squares that are as close as possible.

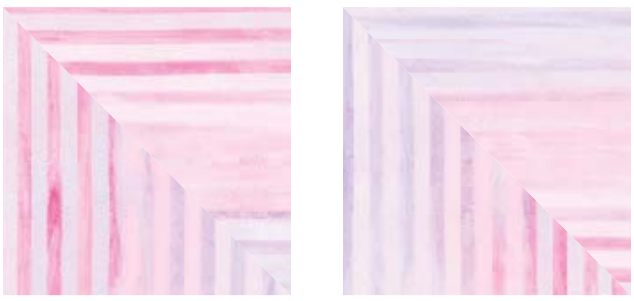
Assemble the Blocks

Step 1: Place one pair of Fabric A squares right side up, side by side on the cutting surface, with the strips going up and down on both. *Tip: If one half of the square is notably darker or lighter, place the squares as shown here, to aid in matching shades as the block is sewn together.*



Step 2: Cut the left square from the upper left to lower right. Cut the right square from upper right to lower left.

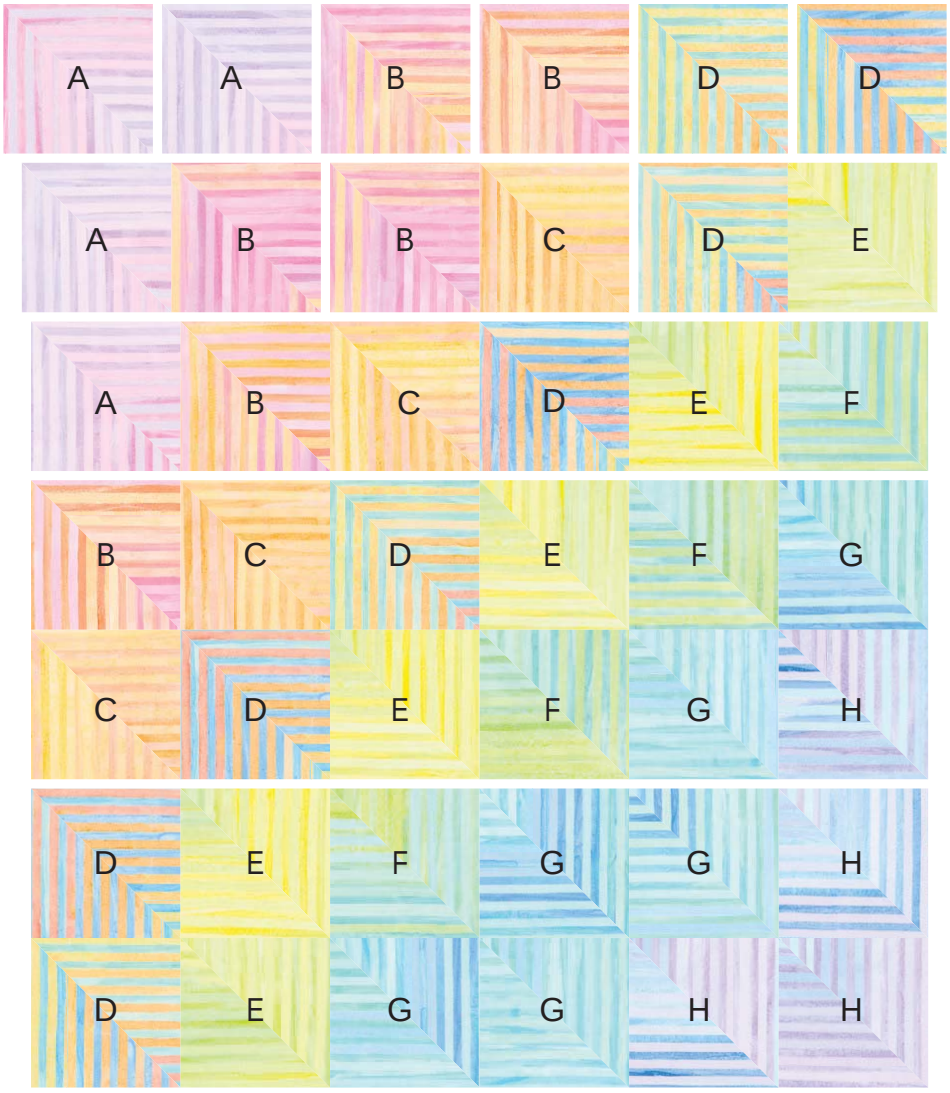
Step 3: Swap one triangle from each pair to create two blocks, as shown. Sew together along one long edge. Press the seam open or to one side. Trim to 9-1/2" square, if necessary.



Step 4: Repeat Steps 1-3 with all remaining A pairs to create a total of four A blocks. Continue in this manner with all fabric pairs, creating:

six B blocks
four C blocks
eight D blocks
six E blocks
four F blocks
six G blocks
four H blocks

Assemble the Quilt



Step 5: Arrange the blocks into seven rows of six blocks. Note the fabric placement and block orientation in the Quilt Assembly Diagram.

Step 6: Sew the blocks together to form rows. Press the rows to the left in the odd numbered rows and to the right in the even numbered rows.

Step 7: Sew the rows together to form the quilt center. Press the row seams open.

Your quilt top is complete! Baste, quilt, bind and enjoy!
