- Width of fabric (WOF) is equal to at least 42" wide.
- Remember to measure twice and cut once!

### Printing the Templates

- Print all of the templates on 8-1/2" x 14" paper. Printer must be set to print at 100%.
  Print a test page and measure the 1" square to check the size.

- **Templates A-F**: Print one copy of pages 7 and 8. Cut out around gray seam allowance lines.

- **Background Template**: Print one copy of pages 9 and 10. Cut pieces out and tape together along the dashed lines and the red lines.

- **Border 2 and Border 4 Blocks**: Print twelve copies each of pages 11 and 12. Cut out along the gray seam allowance lines.

- Cut seven strips 3-1/2" x WOF, then subcut forty-eight rectangles 3-1/2" x 6" (Border 4).
- Cut four copies of the Background Template. Make a 1/4" tick mark where the center line meets the inner curve.

Assembly Instructions

**Step 1: Assemble the Center Medallion**

1. Sew the curved edge of piece D to the curved edge of piece B. 
   Press seams toward B.

2. Sew a piece C to either side of the B/D unit, as pictured. 
   Press seams toward C.

3. Repeat 1 & 2 to make eight B/C/D units. Note that piece D will 
   have the tick mark on the left side on four units and on the right 
   side on four units.

4. Sew a B/C/D unit to each long side of a piece E, matching the tick marks.

5. Repeat to make four B/C/D/E units.

6. Sew a piece F to the right edge of the B/C/D/E unit. 
   Press seams toward F.

7. Repeat to make four B/C/D/E/F units.

8. Working clockwise around the circle, sew the 
   B/C/D/E/F units together, as pictured.

9. Matching right sides together, sew the piece A circle into the 
   center of the medallion.
Step 2: Sew Background to Center Medallion

1. Sew the Background pieces to the center medallion. Press seams toward background.

   You will match the tick mark on the center of the background piece with the piece E point and then ease the curve towards the piece F point. The background will not match up with the piece F point, but do not sew the background past that point.

2. Once the background pieces are sewn to the center, true up the edges so that they extend 1/4” beyond the piece F point.

   The center medallion should measure 26-1/2” x 26-1/2”. If it measures larger, don’t worry! You will have the opportunity to trim the borders as you sew them on, so they fit correctly. If it measures smaller, you will need to cut the Fabric E border strips wider, to accommodate the difference.

Step 3: Make Border 2

   Fabric C is ombre, so the triangles will vary in color. You may want to plan out the order of the color gradation in the border before making the blocks.

2. Sew the blocks together as pictured to make the top, bottom and side borders.
Step 4: Make Border 4

Fabric B is ombre, so the triangles will vary in color. You may want to plan out the order of the color gradation in the border before making the blocks.

2. Sew the blocks together as pictured to make the top and bottom borders.

Step 5: Assemble the Quilt Top

1. Sew the Fabric E border 1 strips to the sides and then to the top and bottom of the quilt center. Trim excess fabric as you sew. Press seams toward Fabric E.

2. Measure the length of one of the Border 2 top/bottom borders and trim the sides of the quilt center to the same width. Sew the Border 2 sides to the quilt center. Trim the excess fabric from the top and bottom of Border 1 and then sew Border 2 top and bottom to the quilt center.

3. Sew the Fabric G Border 3 strips to the sides of the quilt center. Sew the Fabric D Border 3 strips to the top and bottom of the quilt center. Trim excess fabric and press seams toward Border 3 as you sew.

4. Sew the Border 4 top and bottom to the quilt center. Press seams toward Border 3.

Your quilt top is complete! Baste, quilt, bind and enjoy.
