## Notes Before You Begin

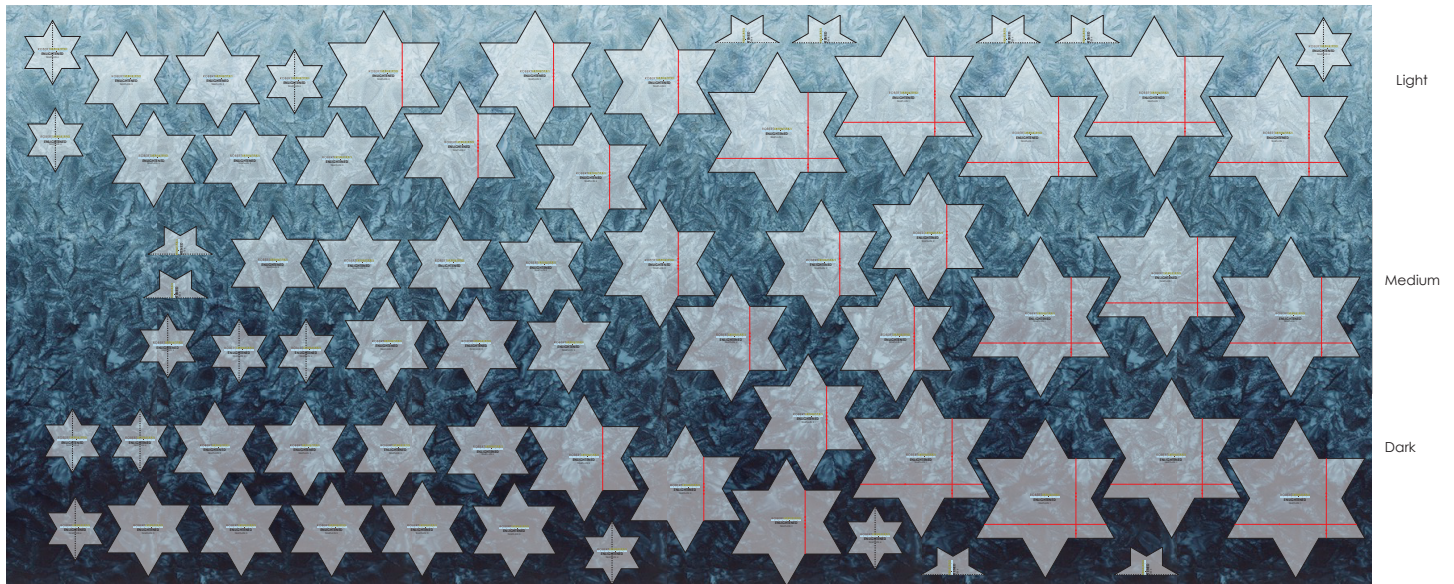

- Read through all of the instructions before beginning.
- All of the seam allowances are 1/4" unless otherwise noted.
- Press seam allowances open unless otherwise noted.
- Width of fabric (WOF) is equal to at least 43" wide.
- Right sides together has been abbreviated to RST.
- Remember to measure twice and cut once!

## Cutting Instructions

**Note:** Picture each fabric as having a light, medium and dark section, each roughly 14" wide. Do not cut the yardage into three segments, but rather picture these as strips for a rough guide as you cut the star shapes. Use the cutting diagram as a guide. You will cut the templates along the length of the print in order to group your cuttings by light, medium and dark.

Refer to the cutting diagram for laying out your strips and templates.

**From the dark portion of Fabric A, cut:**

- four XL Star Templates (Template 1)
- four L Star Templates (Template 2)
- nine M Star Templates (Template 3)
- five S Star Templates (Template 4)
- two S Half-Star Templates (using half of Template 4)

**From the medium portion of Fabric A, cut:**

- three XL Star Templates (Template 1)
- five L Star Templates (Template 2)
- seven M Star Templates (Template 3)
- three S Star Templates (Template 4)
- two S Half-Star Templates (using half of Template 4)

**From the light portion of Fabric A, cut:**

- five XL Star Templates (Template 1)
- five L Star Templates (Template 2)
- five M Star Templates (Template 3)
- four S Star Templates (Template 4)
- four S Half-Star Templates (using half of Template 4)

**From Fabric B, cut:**

- fourteen of Template 6
- fourteen of Template 6-Reversed

**From each of Fabrics C-F, cut:**

seven 5-1/2" x WOF strips. Unfold each strip, then use Template 5 to subcut:  
twenty-eight of Template 5 from each fabric

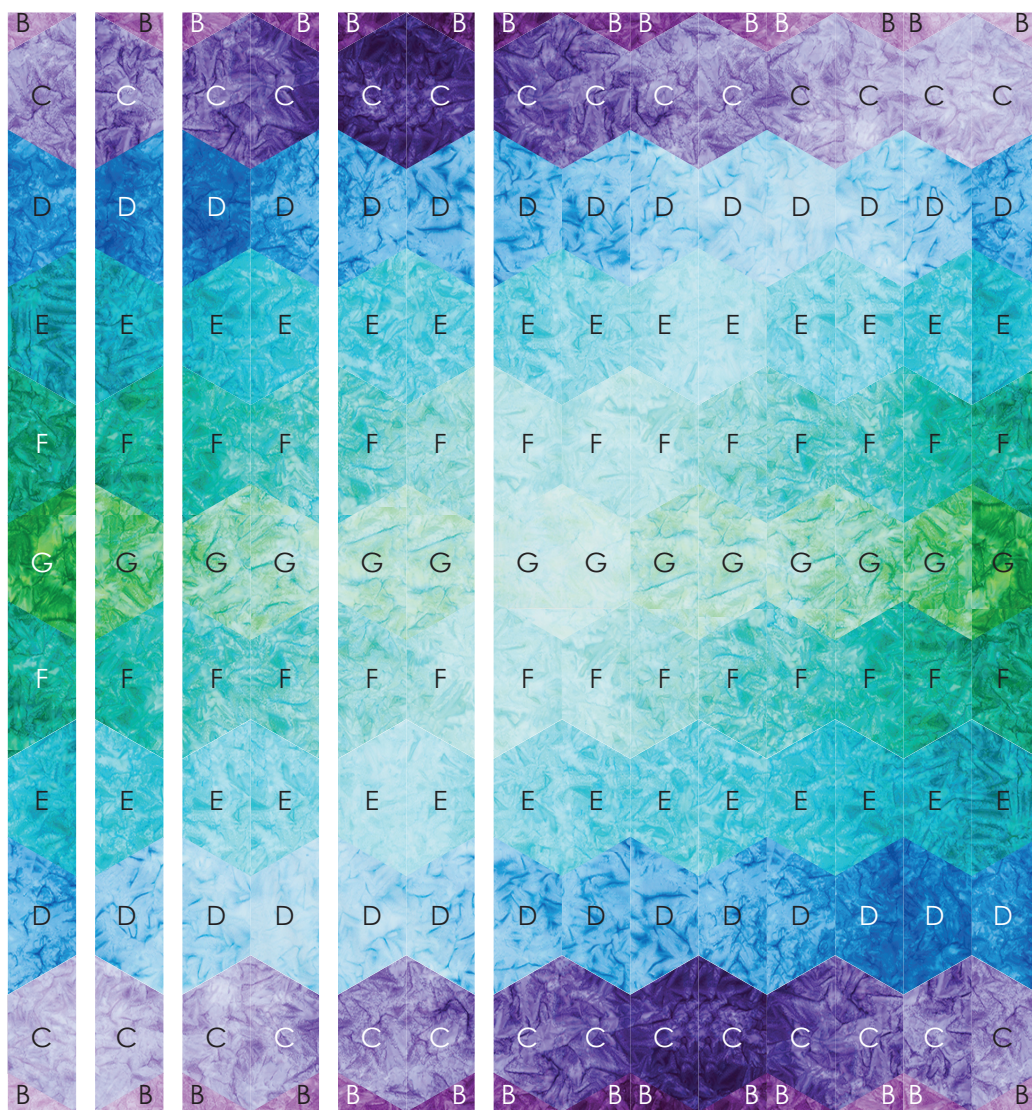

**From Fabric G, cut:**

four 5-1/2" x WOF strips. Unfold each strip, then use Template 5 to subcut:  
fourteen of Template 5

**From the Binding Fabric, cut:**

seven 2-1/2" x WOF strips

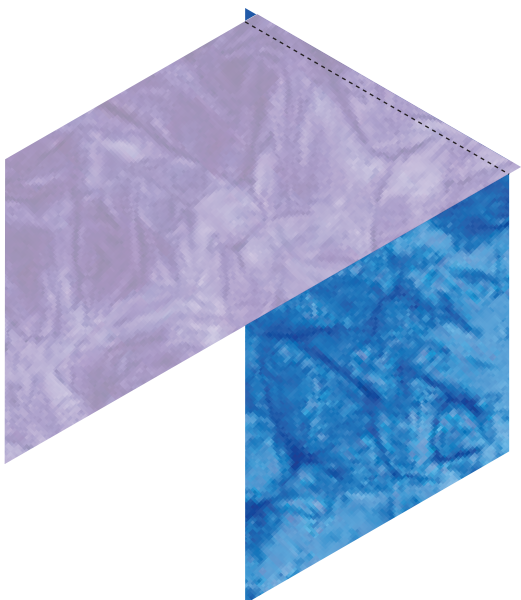

## Assemble the Quilt Background

**Step 1:** Arrange the Template 5, 6 and 6-Reversed pieces into columns, following the Quilt Assembly Diagram. Pay careful attention to the placement of the fabrics, noting the fabric labels shown in the diagram. Fabric G runs through the center of the quilt, with Fabric F rows above and below the Fabric G row.

*Note the placement of the light, medium and dark half-hexagons. Try to match your placement to the sample as much as possible to achieve the same dark-to-light-to-dark look from left to right,*

**Step 2:** Sew together to form columns, offsetting the edges as shown. Press.

**Step 3:** Sew the columns together to form the quilt top. Press.

## Appliqué the Stars

**Step 4:** Place the dark, medium and light XL stars in place, one by one, pinning and appliqué to the hexagon shape using your preferred raw edge appliqué method, such as a small zig zag stitch or blanket stitch. These stars are indicated on the diagram as D (dark), M (medium) and L (light).

**Step 5:** Repeat this process with the Large stars, Medium stars, Small stars and Small half-stars, centering on each hexagon as shown. *Note: For the half-stars, you will place the straight edge of the star 1/4" away from the edge of the quilt.*

Your quilt top is complete! Baste, quilt, bind and enjoy!
