- Right sides together has been abbreviated to RST.
- Remember to measure twice and cut once!

Cutting Instructions

From Fabric A, fussy cut:

four pillow centers, cutting 1/4" outside the pre-printed dark gray borders on each panel square. Squares will be approximately 10" x 10".

From each of Fabrics B-E**, cut:

two 5" x WOF strips. Subcut:

two 5" x 10" border strips

two 5" x 19" border strips

**Depending on the print orientation, you may need to cut one 19" x WOF strip and then subcut the strips listed.

From Fabric F-I, cut:

one 19" x WOF strips. Subcut:

one 13" x 19" rectangle

one 10-1/2" x 19" rectangle

Assemble the Pillow Front

Step 1: Sew the 5" x 10" border strips to the top and bottom of the Fabric A center, using a seam allowance slightly more than 1/4". Press.

Step 2: Sew the 5" x 19" border strips to the sides of the Fabric A center, using a seam allowance slightly more than 1/4". Press.

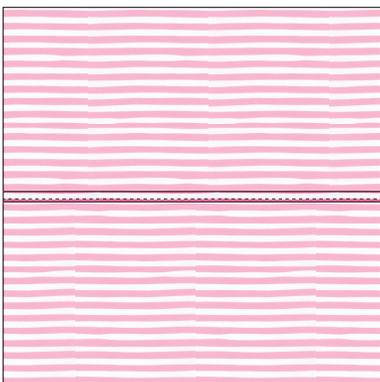

If desired, add any accent stitching to the pillow front at this time.

Step 3: Trim the pillow front to 19" x 19".

Assemble the Pillow Back and Finish

Step 4: Fold one 19" edge of each back piece 1/2" to the wrong side and press. Fold another 1/2" and press to enclose the raw edge. Topstitch to finish the edge.

Step 5: Place the 13" x 19" piece right sides together with a pillow front, aligning the raw edges of the pillow back's top, left and right edge with the pillow front. Layer and pin the remaining backing piece, aligning its raw edges with the pillow front's bottom, left and right edges. The folded/finished edges of the backing pieces should be overlapped through the center portion of the pillow.

Step 6: Pin and stitch around all four edge of the pillow, using a 1/2" seam allowance. If desired, finish with a zigzag stitch or serge the edges to finish.

Step 7: Turn right sides out, carefully forming the corners and press. Insert a pillow form through the back envelope closure and enjoy!

Repeat Steps 1-7 to create a total of four pillows.
