You will also need:
5-1/2 yards for backing

---

*Copyright 2016, Robert Kaufman*

*For individual use only - Not for resale*
- Read through all of the instructions before beginning.
- All of the seam allowances are 1/4" unless otherwise noted.
- Press seam allowances open unless otherwise noted.
- Width of fabric (WOF) is equal to at least 42" wide.
- Right sides together has been abbreviated to RST.
- Remember to measure twice and cut once!

Note: This quilt uses a time saving construction method for making flying geese blocks. You will make the flying geese units four at a time, so do not be alarmed if the cut sizes seem too large for the final block.

**Notes Before You Begin**

**Cutting Instructions**

**From Fabric A, cut:**
- four 8-1/2" x WOF strips. Sew together in pairs, end-to-end, then trim to yield:
  - two 8-1/2" x 76" side inner borders

- five 5-1/2" x WOF strips. Subcut:
  - three 5-1/2" x 18-1/2" rectangles
  - three 5-1/2" x 15-1/2" rectangles
  - three 5-1/2" x 11" rectangles
  - three 5-1/2" x 8" rectangles

- seven 4" x WOF strips. Sew together, end-to-end, then trim to yield:
  - two 4" x 91" side outer borders
  - two 4" x 58-1/2" top/bottom outer borders

- three 3-1/2" x WOF strips. Sew together, end-to-end, then trim to yield:
  - two 3-1/2" x 56-1/2" top/bottom inner borders

- eighteen 3" x WOF strips. Subcut:
  - two hundred-forty 3" squares

- ten 2-1/2" x WOF strips. Sew together in pairs, end-to-end, then trim to yield:
  - five 2-1/2" x 76" sashing strips

**From each of Fabrics B-P, cut:**
- one 3" x WOF strip. Subcut:
  - eight 3" x 5-1/2" rectangles. Cut carefully to use the full 44" width of fabric to yield eight rectangles per strip.

**From Fabric Q, cut:**
- seven 1-1/2" x WOF strips. Sew together, end-to-end, then trim to yield:
  - two 1-1/2" x 82" side middle borders
  - two 1-1/2" x 58-1/2" top/bottom middle borders
From the binding fabric, cut:
eight 2-1/2" x WOF strips

Assemble the Blocks

**Step 1:** Place a 3" Fabric A square RST at one end of a Fabric B rectangle. Mark a diagonal line on the wrong side of the square, as shown. Sew on the marked line and trim away the excess fabric, leaving a 1/4" seam allowance. Press toward the triangle.

**Step 2:** Repeat Step 1 at the remaining end of the rectangle. The resulting flying geese block should measure 3" x 5-1/2".

**Step 3:** Repeat with all remaining Fabric B rectangles. Sew together in sets of four flying geese blocks. Press the seams up. Set aside.

**Step 4:** Repeat this process for all remaining 3" x 5-1/2" Fabric B-P rectangles, sewing each into matching sets of four flying geese blocks.
Step 5: Sew the flying geese blocks into columns as shown in the Quilt Assembly Diagram, noting the orientation and fabric placement of each. You will create two sets of each column type (organized by color family). Press all seams away from the flying geese point.

Step 6: Sew the 5-1/2" wide Fabric A pieces to the top and bottom of each column, noting the sizes listed below. Press seams toward the darker fabric.
- Sew the 8" tall rectangle to the top of columns 1, 3 and 5
- Sew the 15-1/2" tall rectangle to the top of columns 2, 4 and 6
- Sew the 18-1/2" tall rectangle to the bottom of columns 1, 3 and 5
- Sew the 11" tall rectangle to the bottom of columns 2, 4 and 6

Step 7: Sew the 2-1/2" sashing strips between each column. Press toward the sashing.

Step 8: Sew the side inner borders to the sides of the quilt center. Press toward the borders.
- Sew the top and bottom inner borders to the quilt center. Press toward the borders.

Step 9: Sew the side middle borders to the sides of the quilt center. Press toward the borders.
- Sew the top and bottom middle borders to the quilt center. Press toward the borders.

Step 10: Sew the top/bottom outer borders to the quilt center. Press toward the borders. Sew the side outer borders to the quilt center. Press toward the borders.

Your quilt top is now complete! Baste, quilt, bind and enjoy!
