### Step 3: Assemble the Quilt Top

### Step 4: Attach the Inner Border

- Sew two Fabric A 2-1/2" strips, short ends together, to make a Border Strip. Repeat with the remaining 2-1/2" strips to make four Inner Border Strips.
- Sew an Inner Border Strip to the top and bottom of the quilt center, starting and stopping a 1/4" before each corner and backstitching.
- Sew a Inner Border Strip to the sides of the quilt center, starting and stopping a 1/4" before each corner and backstitching.
- Press all seam allowances toward the borders.

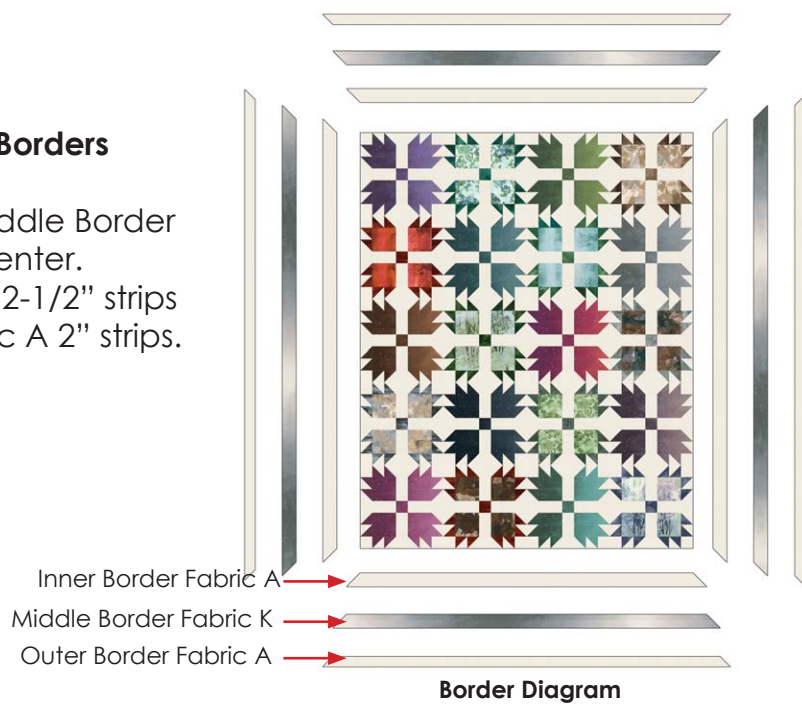

### Step 5: Mitre the Border Corners

- Fold the quilt in half diagonally, with right sides together. Two perpendicular borders will now be laying with one on top of the other. Align the raw edges.
- With a ruler, mark a line (shown in red) that extends from the diagonal fold to the raw edges of the borders.
- Sew along the marked line, beginning at the original stitching. Trim seam allowance to 1/4".
- Repeat for the other three corners.

### Step 6: Attach the Middle and Outer Borders

- Repeat Steps 4 and 5 to sew the Middle Border and the Outer Border to the Quilt Center.  
The Middle Border uses the Fabric K 2-1/2" strips and the Outer Border uses the Fabric A 2" strips.

Your quilt top is complete!
