1. Sew the two **Fabric B** 5-1/2" x WOF strips to the long sides of **Panel A**. Once you have sewn and pressed your seams, true-up Fabric B to be the same length as Panel A.

   **Note:** Your strips should be just long enough to fit on your panel. If you find they aren’t, you may either trim down the sides of the panel to match, or add a small length to your strips (you may cut 5-1/2” from each 3” strip and use that to lengthen your strips).

2. Sew the two **Fabric B** 3" x WOF strips to the short sides of **Panel A**. Once you have sewn and pressed your seams, true-up Fabric B to be the same width as Panel A.

3. Sew the three **Fabric C** strips, short sides together, into one long strip. Cut two strips that are 49-1/2" long, and sew them to the long sides of the quilt top.

Baste, quilt, bind, and enjoy!
