## Notes Before You Begin

- All of the seam allowances are 1/4" unless otherwise noted.
- Remember to measure twice and cut once!
- Please read through all of the instructions before beginning.

## Cutting Instructions

### From first kit:

For Table Runner: Cut 2 strips along sides as illustrated. You will cut 1/2" away from each side of the decorative panel.

For Napkins: Cut 16 squares 12-1/2" x 12-1/2" from remaining center fabric.

### From second kit:

For Tablecloth: True up short ends so they are even and leave selvages intact.

## **Sewing Instructions**

### **Table Runner**

1. Sew the two long panels short sides together using a 1/2" seam allowance. Be sure to match up the designs on the panels as closely as possible.
2. Finish the seam by pinking, zig-zagging or serging each seam allowance, then press the seam open.
3. On the short sides, press edge under 1/4" and then 1/4" again to encase the raw edges and then sew along pressed hem to secure.
4. Repeat on long sides, pressing under 1/4" twice and then sewing.

### **Napkins**

1. Hem napkins the same way as the table runner. Press two opposite sides under 1/4" and then 1/4" and sew. Then repeat with the two remaining sides.

### **Tablecloth**

1. Hem tablecloth the same way as the table runner, hemming short sides first and then long sides.

Enjoy your holiday table!
