1. Sew the two Fabric C 4-1/2” x WOF strips lengthwise to the top and bottom of Panel A. Once you have sewn and pressed your seams, true-up Fabric C to be the same length as Panel A.

Note: Your strips should be just long enough to fit on your panel. If you find they aren’t, you may either trim down the sides of the panel to match, or add a small length to your strips.

2. Sew the two Fabric B 4-1/2” x 32-3/4” strips to the short sides of Panel A.

3. Sew two Fabric B rectangles, short sides together, to either side of a Fabric D rectangle to create a border strip. Sew two Fabric C rectangles to the short sides of the border strip to make Border C/B/D/B/C. Repeat to make a second border.

4. Sew the borders lengthwise to the top and bottom of the quilt top.

Baste, quilt, bind, and enjoy!
