## Assemble the Large Churn Dash Blocks

### Step 1: Make the Half Square Triangles (HST)

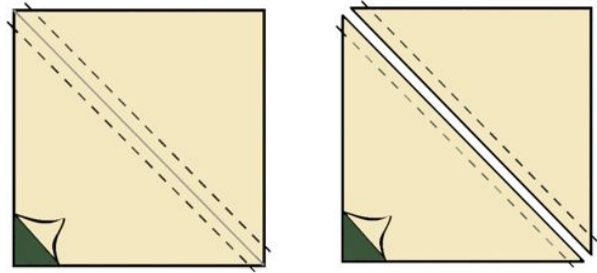

- Place a 5" green square and a 5" background square with right sides together.

- Draw a diagonal line from corner to corner and then sew a scant 1/4" from each side of the line.

- Cut apart along drawn line.

- You will now have 2 half square triangles.

- Trim to 4-1/2" x 4-1/2".

*Note: Be sure to always match the same fabrics together. Use the quilt illustration as a guide.*

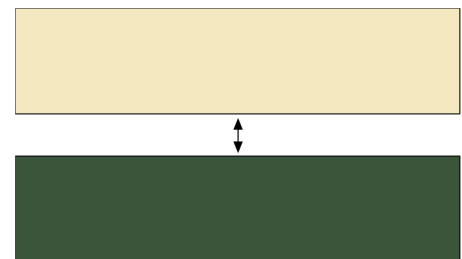

**Repeat steps above to make 32 HSTs.**

### Step 2

- Sew a green 2-1/2"x 10-1/2" strip to a back ground 2-1/2" x 10-1/2" strip along the long edge.

- Repeat to create 32 strip sets.

*Note: Pair the same fabrics that you paired up in Step 1.*

### Step 3

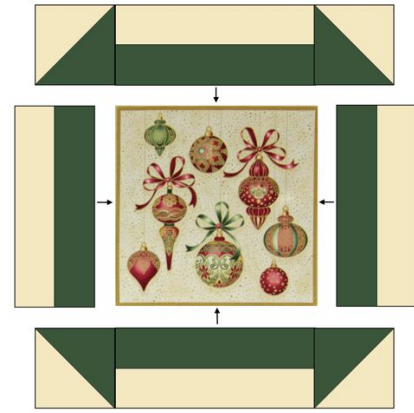

- Sew 2 HSTs to a strip set, as pictured.

- Repeat to make 16 HST/strip sets.

## Step 4

- Sew a strip set to each side of a panel square.
- Sew a HST/strip set to top and bottom of panel square.
- Repeat to make 8 Churn Dash Blocks.

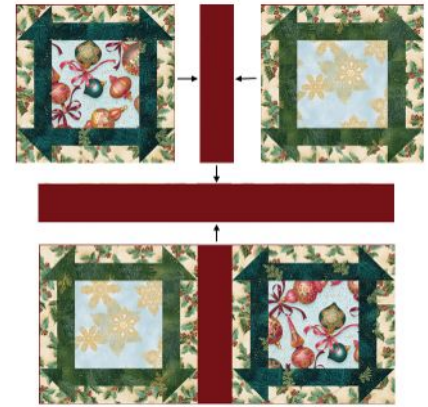

## Assemble the Small Churn Dash Blocks

Using 4-1/2" center block squares, 1-1/2" x 4-1/2" strips and 3" squares, follow steps 1-3 to create 4 small churn dash blocks.

## Assemble Quilt Top

### Step 1: Assemble the Center Block

- Sew two small churn dash blocks and sashing together and repeat for other two small churn dash blocks.
- Sew together with sashing in between.

### Step 2: Sew Sashing

- Sew blocks into rows with sashing between blocks.
- Sew rows together with sashing in between.

### Step 3: Sew Interior Borders

- Sew interior borders to sides and then to top and bottom of quilt top.

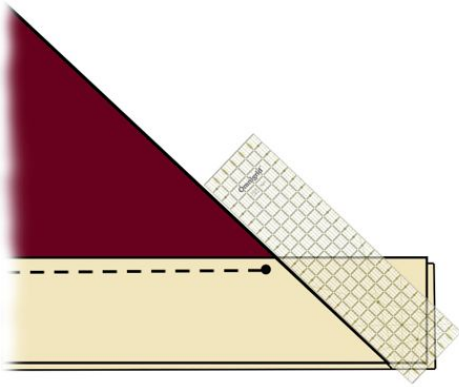

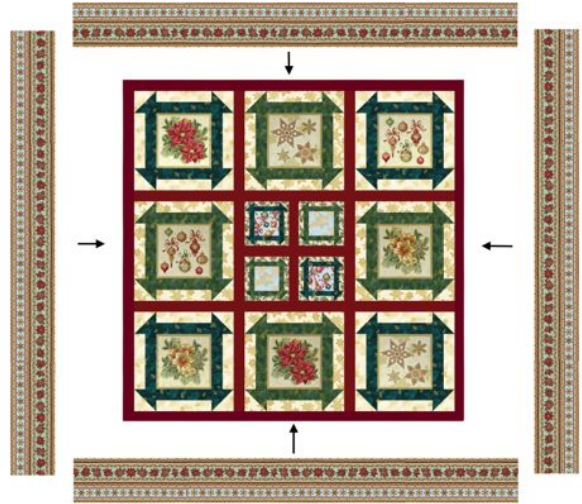

# Attach & Miter The Outer Borders

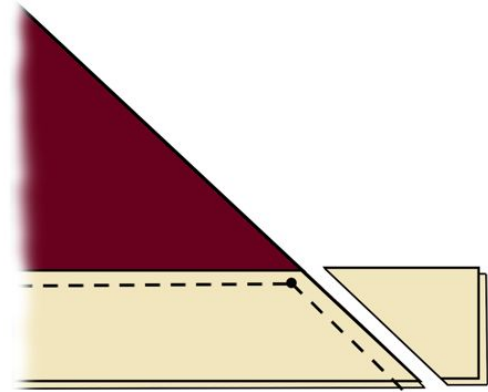

## Step 1

- Find center of Outer Border and pin right sides together to top of quilt.
- Sew border starting and stopping 1/4" from each end of quilt top.
- Repeat for three other sides.

## Step 2

- Fold the quilt in half diagonally, right sides together and align two of the borders directly on top of each other.
- Use your ruler to draw a line from the corner of the quilt to the edge of the border.

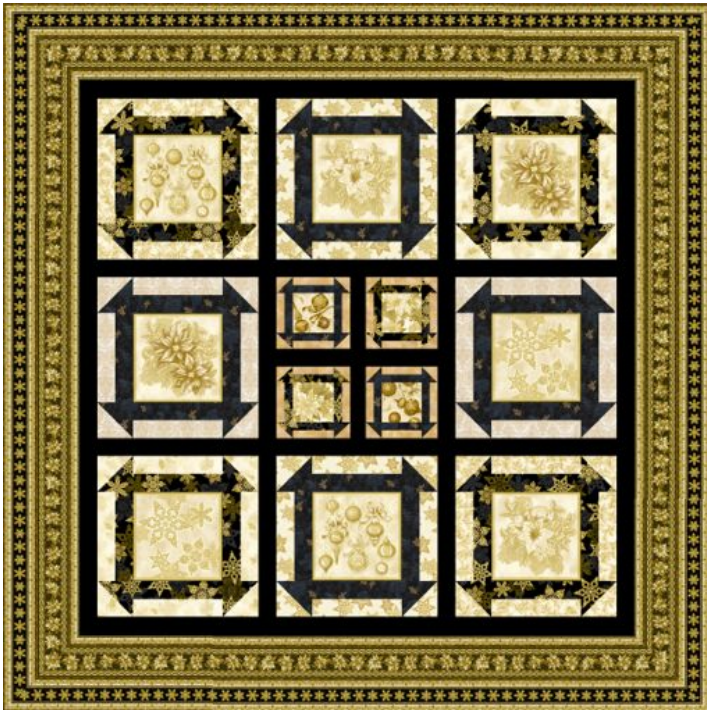

## Step 3

- Trim off excess border along line and sew 1/4" in from the edge. Begin at the point where your border stitching had ended and sew to the edge of the border.

Your quilt top is complete! Baste, quilt, bind and enjoy.
