### Hopscotch Quilt

- **Designed by Katie Hennagir**
- **Finished quilt size: 39\'\' x 47\''**
- **Featuring fabrics from: Little One by Katie Hennagir**
- **Pattern available to download free from Robert Kaufman Fabrics**
- **www.robertkaufman.com**

**Bolt requirement based on 1.5 yd put-up**
“Hopscotch”  
39” x 47”

Fabric Requirements:
Assorted Prints for Background & Blocks: 1/3 yard of 4 fabrics, 1/6 yard of 1 fabric
Accent Fabric: 1/3 yard  
First Border: 1/4 yard  
Second Border: 1/2 yard  
Binding: 1/2 yard  
Back: 1 1/2 yards  
Batting: Crib Size

Cutting Instructions:
Assorted Background Fabrics:
Cut 2 strips 4 1/2” x WOF (width of fabric) from 4 fabrics
Cut 1 strip 4 1/2” x WOF from 1 fabric

Sub-cut those strips into a total of
16- 4 1/2” x 6 1/2”
16- 4 1/2” x 2 1/2”
10- 4 1/2” x 3 1/2”
10- 4 1/2” x 5 1/2”
14- 4 1/2” x 3 1/2”
14- 3 1/2” x 2 1/2”

Accent Fabric:
Cut 6 strips 1 1/2” x WOF
Sub-cut those strips into a total of
14– 1 1/2” x 6 1/2”
14– 1 1/2” x 8 1/2”

First Border: Cut 4 strips 1 1/4” x WOF
Second Border: Cut 4 strips 3 1/2” x WOF

Piecing Instructions: Use a 1/4” seam allowance. Sew your block centers together by sewing a 3 1/2” x 4 1/2” rectangle to a 3 1/2” x 2 1/2” rectangle. Repeat for a total of 14 units.

Sew the units together to create 7 blocks.

Sew the Accent Border strips to the top and bottom of your block. Then, sew the 8 1/2” strips to the sides of your block. Press as you go.
Sew your background pieces together with the 4 1/2” x 3 1/2” sewn to a 4 1/2” x 5 1/2” piece. And the 4 1/2” x 6 1/2” pieces sewn to a 4 1/2” x 2 1/2” piece.

Make 10 units of the 4 1/2” x 3 1/2” & 4 1/2” x 5 1/2”

Make 16 units of the 4 1/2” x 6 1/2” & 4 1/2” x 2 1/2”

Start sewing your quilt top together following the diagram. Each row features some of your blocks and some of your pieced units from above. There is no right or wrong way to layout the background units. Have fun creating “4 patches” or just mix and match and see what you get. Use the diagram as a guide for where to place your blocks to achieve the hopscotch look.

After the center of your quilt is sewn together it is time to add borders. Sew the first border onto the sides of your quilt first, and then top and bottom. Repeat for the second border.

Layer your quilt top with batting and backing, quilt as desired, bind, and enjoy!

As a side note, it might be fun to applique numbers onto your hopscotch squares so that kids could actually use it for hopscotch. Just be sure they play on a carpeted surface so that the quilt doesn’t slide around too much. Or, anchor it with something heavy on the corners. You could make personalized bean bags for them to toss too!
