Cutting Directions for Setting Triangles & Border

From	Cut	To Yield
ADZ-12080-99	(1) 4-3/4" x WOF strip	(8) 4-3/4" squares
ADZ-12080-3	(2) 2-3/4" x WOF strips	(24) 2-3/4" squares

Assembling the Setting Triangles

Step 1: Sew the medium red triangles to adjacent sides of the small light red print squares. Press toward the red triangles. Make (24) units. (**NOTE: The red triangles are larger than needed. Put the excess fabric at the outer edge. You will trim later.**)

Step 2: Sew (2) Step 1 units together as shown. Press the seam open. Make a total of (4) corner units.

Step 3: With the remaining Step 1 units, sew to adjacent sides of the large light red print squares. Press toward the Step 1 units. Make (8) units.

Assembling the Quilt

Step 1: Referring to the photo, arrange the basket blocks, the pieced blocks, and the setting triangles in diagonal rows. Add the corner pieced triangles from Step 2 above. Sew the blocks together in rows, pressing toward the basket blocks.

Step 2: Sew the rows together, pressing the seams open. Add the corner triangle units last. Trim the edges of the quilt straight, leaving at least 1/4" seam allowance.

Assembling the Quilt (continued)

Step 3: Measure the quilt through the middle. Trim two 5" wide dark red print strips to this measurement. Sew to the top & bottom of the quilt. Press toward the borders.

Step 4: Piece the remaining three border strips together with the seams pressed open. Trim two borders the length of the quilt. Sew to the sides of the quilt. Press toward the borders.

Step 5: Mark 6" scallops along all sides of the quilt. Leave the corners square.

Finishing the Quilt

Layer, baste, and quilt as desired. Before binding, baste on the marked scalloped line to hold the layers together. Do NOT trim on the marked line until AFTER the binding is sewn on.

Join the binding ends with diagonal seams pressed open. Sew to the marked edge with a 1/4" seam allowance, pivoting at the bottom of the Vs. Trim excess fabric and batting, turn the binding over the edge and tuck under on the back side. Stitch down by hand with matching thread.
