Notes Before You Begin

- Please read through all of the instructions before beginning.
- All of the seam allowances are 1/4" unless otherwise noted.
- Press seam allowances open unless otherwise noted.
- Remember to measure twice and cut once!
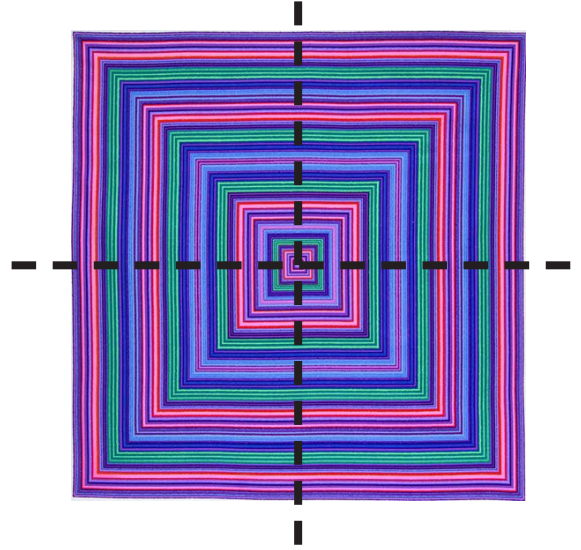

Cutting Instructions

Fabric A
- Cut around the large square and one small square.

Fabric B
- Cut two rectangles 16" x 24-1/2"

- Cut the Fabric A large square down the center twice to yield four squares.

- Trim the two outer edges of each square as listed:
   A: leave as-is
   B: Trim 1"
     C: Trim 2"
     D: Trim 3"

- Rotate each square 180º so that the outer corners are now in the center.

- Sew the squares back together into a single square.

- Trim the square to 24-1/2" x 24-1/2".

- Place the Fabric A small square in the
  center of the large square and sew around
  the perimeter a scant 1/4" from the edge
  to complete the pillow top.

- Lay the pillow top on the batting and
  baste. Quilt as desired (the pillow shown is
  quilted with random straight lines echoing
  the stripes.).

- Hem one long edge of each Fabric B rectangle by folding the edge 1/4" to the wrong
  side and then 1/4" again and pressing. Topstitch along the fold.

- Lay the Fabric B rectangles right sides together
  with the Pillow Top. Align the unhemmed
  edges of the rectangles with the raw edges of
  the pillow top. The rectangles will overlap in the
  center of the pillow.

- Sew around the perimeter using a 1/2" seam
  allowance.

- Turn the pillow cover right side out, push out
  the corners and insert the pillow form.

Enjoy your pillow!!
