From the remaining yardage, cut:
four 4” x length of fabric strips. Set aside for the outer borders.
five of Template 2
one of Template 3

Assemble the Blocks

Step 1: Gather:
one Template 1 piece
two Template 2 pieces
one Template 4 piece
Refer to the quilt cover sample for fabric combinations for each block.
Sew together as indicated, pressing the seams toward the Template 2 (ear) pieces.

**Step 2:** Sew the two units together, offsetting the seams using the notches so that the seams align when pressed open. Press seams open or to one side.

Repeat to make all fourteen cat blocks.

**Step 3:** Referring to the (Quilt Assembly Diagram) QAD, sew a Template 5 triangle to the left and right sides of seven cat units. Press away from the center unit.

**Step 4:** Referring to the QAD, sew a Template 5 triangle to the left side of four cat units. Press away from the center unit.

**Step 5:** Referring to the QAD, sew a Template 5 triangle to the right side of three cat units. Press away from the center unit.
**Step 6:** Arrange the units to form the quilt top, placing Template 2 and Template 6 as shown. Sew together in diagonal rows, offsetting using the notches. Press seams in opposite directions every other row.

**Step 7:** Sew the rows together, offsetting the seams by 1/4” so that they align when pressed open. Press the row seams open or to one side.
**Step 8:** Sew the Template 7 and Template 3 right triangles to the corners of the quilt center as shown. Press toward the triangles.

**Step 9:** Measure and trim to the width of the quilt. Sew the top and bottom outer borders to the quilt center. Press toward the borders. Measure and trim to the length of the quilt. Sew the side outer borders to the sides of the quilt center. Press toward the borders.

Your quilt top is complete. Baste, quilt, bind and enjoy.
