From Fabric G, cut:

five 5-1/2" x WOF" strips. Set aside for the outer borders.

*Layer the 3-1/2" x WOF Fabric B and Fabric E strips, right sides together, then cut the triangles. They will then be ready for chain-piecing.

Embroidered Blocks

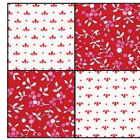

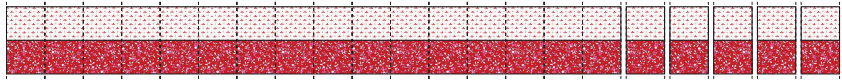

Step 1 Embroider the Fabric A blocks with 1-2 strands of red floss. Press the blocks on a fluffy towel, right side down. Trim the blocks to 9-1/2" square.

Jacob's Ladder Blocks

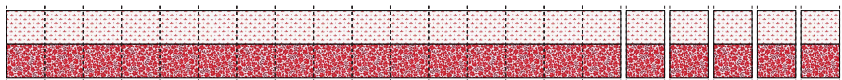

Step 1 Sew the 2" wide Fabric B and Fabric C strips together to make strip sets. Press toward the red.

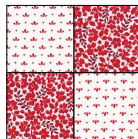

Step 2 Cut the strip sets into thirty-two 2" wide units. Piece into sixteen four-patches for two corners of your blocks. Press. At this point the units should measure 3-1/2" square.

Step 3 Using the 2" wide Fabric B and Fabric D strips, make strip sets. Press towards the red print. Cut into forty-eight 2" units.

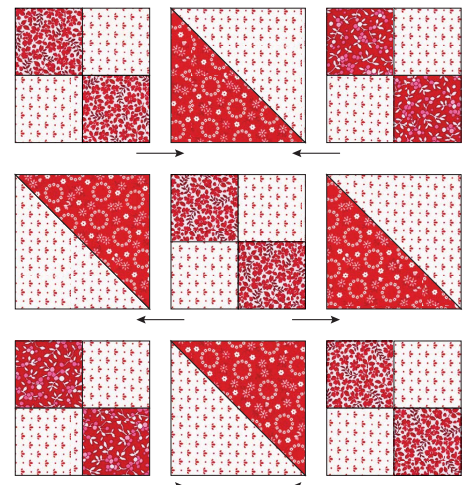

Step 4 Sew the units from Step 3 into twenty-four four-patches. Press. At this point the units should measure 3-1/2" square.

Step 5 Sew the Fabric B and Fabric E triangles together to make 3-1/2" half-square triangles. Press toward the red triangles. Make thirty-two.

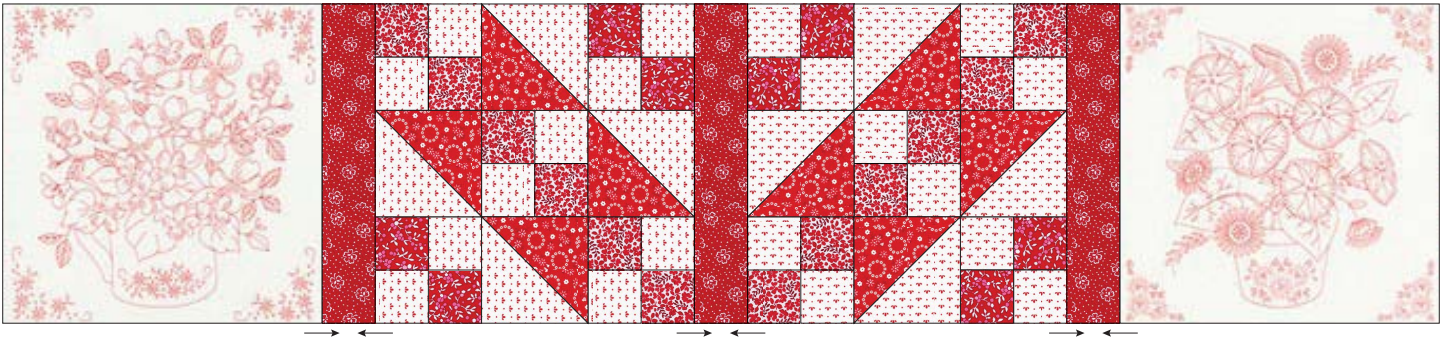

Step 6 Join the Step 5 triangles and the four-patches from Step 2 and Step 4 into three rows of three units. Press in the direction of the arrows. Join the rows to make eight Jacob's Ladder blocks that measure 9-1/2" square.

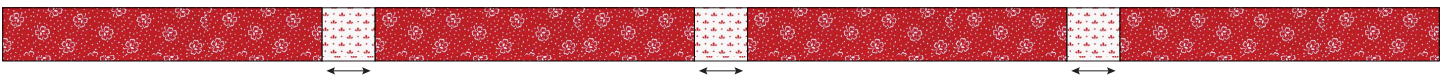

Assembling the Quilt

Step 1 Arrange the embroidered blocks and the pieced blocks according to the quilt photo. Sew Fabric F sashing strips between the blocks in each row. Press toward the sashing.

Step 2 Assemble four horizontal sashing strips with three cornerstones as shown. Press toward the red sashings.

Step 3 Join the Step 1 and Step 2 rows to make the quilt top. Press toward the sashing strips.

Borders

Step 1 Measure and trim four 2" Fabric F inner border strips the width of the quilt center. Sew border strips to the top and bottom of the quilt. Press toward the borders.

Step 2 Sew white cornerstones on both ends of the remaining Fabric F borders. Sew the borders to the quilt. Press toward the borders.

Step 3 Piece, measure and trim two 5-1/2" wide Fabric G borders the width of the quilt. Sew to the top and bottom of the quilt. Press toward the outer borders.

Step 4 Measure and trim two Fabric G side borders the length of the quilt. Sew to the sides of the quilt.

Finishing the Quilt

Step 1 Layer, baste and quilt as desired. Mark 7-1/2" scallops (with Easy Scallop) on all four sides of the quilt, leaving the corners square.

Step 2 Baste on the marked line.

Step 3 Prepare the bias binding by joining the strips with diagonal seams pressed open. Sew the binding to the quilt with a 1/4" seam allowance, aligning the edge of the binding to the marked and basted line. Pivot at the "V" and miter at the corners.

Step 4 Trim away the excess batting and backing to an even 1/4". Turn the binding to the back side, tuck under and stitch down with matching thread. Fold a pleat in the "V".
