Piecing Instructions

Piece the Girl Blocks

**Step 1:** Sew matching light print 2" x 10-1/2" sashes to the long sides of each of the girl blocks. Press toward the sashes. Make 16.

**Step 2:** Sew matching light print 2" x 10-1/2" sashes to the top and bottom of each of the girl blocks. Press toward the sashes. Make 16.

**Step 3:** Sew matching dark print 2" x 13-1/2" sashes to the long sides of the girl blocks. Press toward the sashes. Make 16.

**Step 4:** Sew matching dark print 2" x 13-1/2" sashes to the top and bottom of each of the girl blocks. Press toward the sashes. Make 16.

You will have some dark and light sashes left over.
Assemble the Quilt

Step 1: Sew three 2" x 16-1/2" green star background sashes between a row of four girl blocks. Press toward the background sashing. Repeat to make four rows.

Step 2: Sew four 2" x 13-1/2" green star background sashes together with 3 dark print cornerstones to make a horizontal sashing strip. Repeat to make 3 horizontal sashing strips. Press toward the sashing strips.

Step 3: Refer to the quilt photo on page 1 and sew together the Step 1 and 2 rows to complete the quilt top. Press the seams toward the horizontal sashing strips.

Step 4: Piece as necessary, then measure and trim two 3" wide green star border strips the width of the quilt. Sew to the top and bottom of the quilt. Press toward the borders.

Step 5: Repeat for the side borders. Press. Set aside until the pinwheel border is ready to be added.

Make the Pinwheel Border

Step 1: Sew all the background and plaid triangles together to make triangle-squares. Press toward the plaid triangles. Make 96 from each plaid.

Step 2: Sew matching plaid triangle-squares together into pairs as shown. Press.

Step 3: Sew matching pairs together to make a total of 24 pinwheel blocks from each plaid. Twist the center to open a few stitches; press the seams spinning around the center.
Step 6: Add a pinwheel to each end of the top and bottom pinwheel borders, making the borders 17 pinwheels long. Sew to the top and bottom of the quilt. You will have two pinwheel blocks left over.

Step 7: Piece, then measure, trim and sew the 2" green star background strips the width of the quilt. Sew to the top and bottom of the quilt. Repeat for the side borders.

Finishing the Quilt

Step 1: Piece the backing and cut the batting the same size as the backing. Layer the quilt sandwich and baste together. Quilt as desired. The quilt shown was quilted in an all-over design with white thread.

Step 2: Before binding, hand or machine-baste (with a walking foot) a scant 1/4" from the edge of the quilt to hold the layers together.

Step 3: Prepare the binding by joining the 2-1/4" x 42" strips with diagonal seams pressed open. Fold the binding in half, wrong sides together and press to make a double binding.

Step 4: Sew the binding to the quilt with a 1/4" seam, mitering the corners. Trim the excess batting and backing, turn the binding to the back side of the quilt and stitch down by hand with matching thread.

Enjoy your quilt!
