Supplies Needed

Fabrics

1 Fat Quarter Pack: FQ-766-7 (includes Panel)
1/3 yd each: 14507-3, 14511-3
(Red prints 1 and 2)
1 yard: 14512-3 (Background print)
1-1/2 yd: 14510-3 (Borders & Binding)
Backing: 3-1/4 yds.
Batting: Twin size

Tool Requirements

Companion Angle (EZ Quilting #882670139A)

Embroidery Thread

Color	Cosmo	Aurifil
Red	# 242	# 2270

Pattern Level: Experienced Intermediate

Redwork Colorstory

Finished quilt measures 53" x 53"

Notes Before You Begin

- All of the seam allowances are 1/4" unless otherwise noted.
- Remember to measure twice and cut once!
- Please read through all of the instructions before beginning.

Cutting Instructions

***TIP:** Open the strips and place a background strip right sides together with a print strip. Cut the Companion Angle triangles; they will then be ready to sew.

Red Prints 1 & 2 (14507-3, 14511-3)

- From each print cut 3 strips 3" x 42", then subcut to yield 36 Companion Angle triangles*.

Prints 3 & 4 (14508-3, 14509-3) -from fat quarter pack

- From each print cut 4 strips 3" x 21", then subcut to yield 20 Companion Angle triangles*

Background Print (14512-3)

- cut 10 strips 3" x 42", then subcut to yield 112 Companion Angle triangles*.

Panel (14506-3)

- Cut 4 blocks

Dark Red (14510-3)

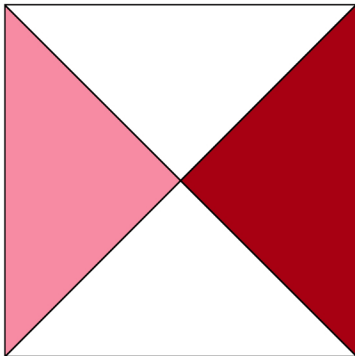

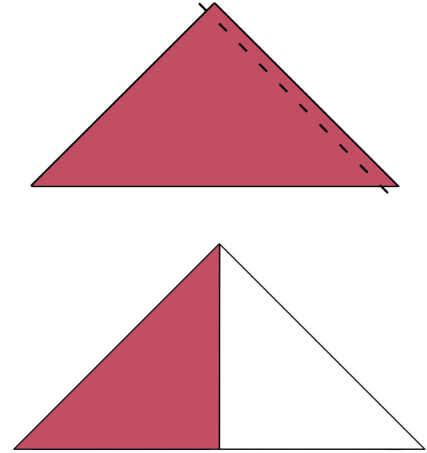

- Cut 4 strips 1-1/2" x 42".
 - Subcut into 8 sashes 1-1/2" x 9"
 - Subcut into 8 sashes 1-1/2" x 11"
- Cut 5 strips 6" x 42" for outer border.
- Cut remaining border yardage into 1-1/4" bias strips for binding

Assembling the Blocks

Step 1:

Sew a red triangle and a background triangle together with the red triangle on top, sewing on the right side of each triangle pair. Press toward the red triangle. Trim dog-ears.

Repeat to make 112 triangle pairs.

Step 2:

Sew a Red #1 and Red #2 unit from Step 1 together on the right side of the triangle pair as before to make a square. Twist the center to open the seam (or clip a few threads in the center). Press the seams to spin around the center.

Repeat, making 20 identical squares.

Set aside remaining triangle pairs.

Step 3:

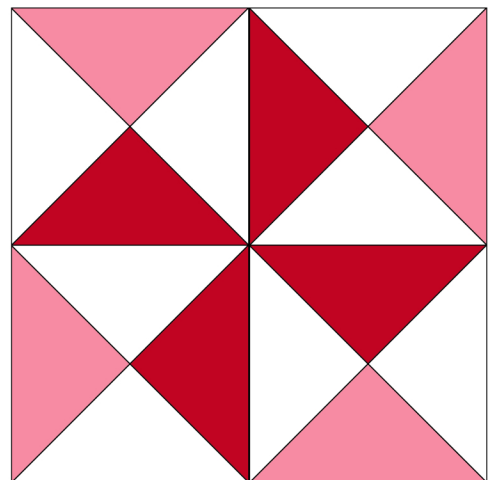

Sew four squares from Step 2 together to form a block, keeping the Red #1 print in the center of each block.

Pay attention! The center triangles should all spin the same direction.

Twist or clip the center to press the seams to spin around the center.

Repeat to make a total of 5 blocks.

At this point the blocks should measure 10-1/2" square.

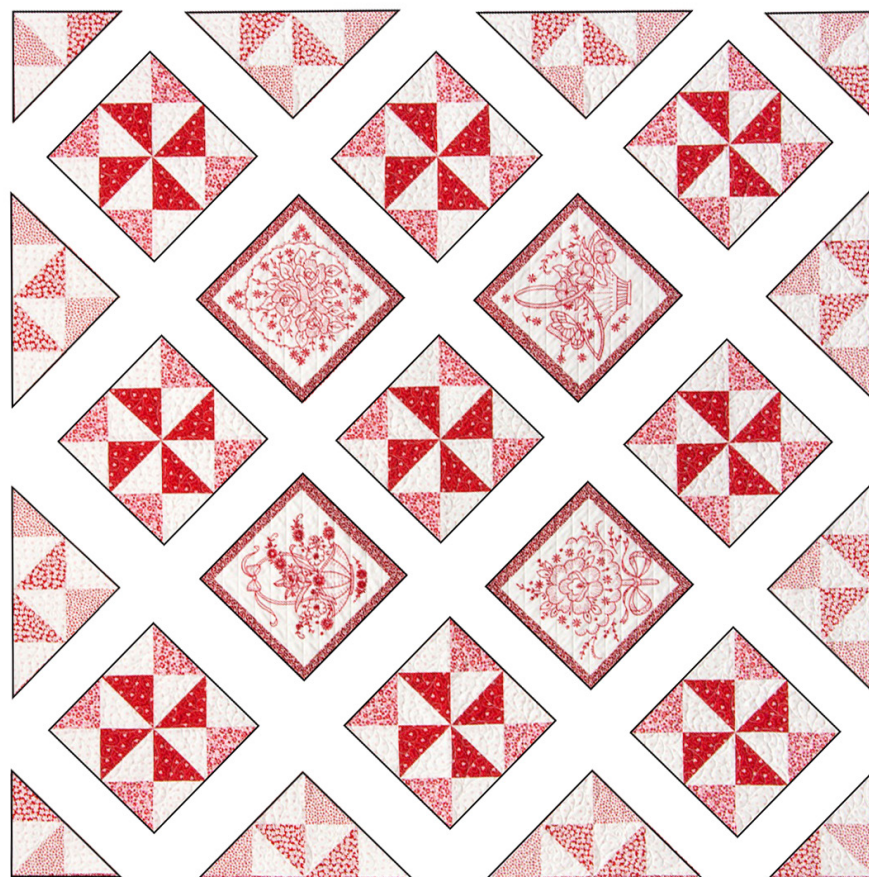

Assembling the Quilt

Step 1:

Sew the embroidered blocks, the pieced blocks and the setting triangles together in diagonal rows, using the diagram below to help you arrange the units. Press toward the embroidered blocks.

Step 2:

Matching and pinning seam intersections, sew the rows together. Press the seams open or all one direction. Add the corner triangles last.

Borders

Step 1:

Piece the borders as needed with straight (not diagonal) seams pressed open. Measure and trim two borders the width of the quilt. Sew to the top and bottom of the quilt.

TIP: Sew with the border on top.

Repeat for the side borders.

Finishing the Quilt

Step 1:

Piece a backing and trim the backing and backing 2" larger on all sides than the quilt top. Layer the backing wrong side up, the batting and the quilt top right side up. Baste. Quilt as desired.

Step 2:

Mark a notched edge: Trace the notch given below on a recipe card. Cut out the notch. Mark a notch using the template onto the edge of the quilt 5-3/4" from each corner. Before binding, baste a scant 1/4" from the edge (and include the notch) to hold the layers together and prevent shifting.

OPTIONAL: Leave the edges straight and bind as usual with double binding.

Step 3:

Prepare single bias binding cut at 1-1/4" wide. Join the ends with diagonal seams pressed open. Sew the binding to the quilt with a 1/4" seam, mitering the corners.

Step 4:

Trim the excess batting and backing, then turn the binding to the back side of the quilt and stitch down by hand with matching thread.

Enjoy your quilt!
