Assemble the Blocks

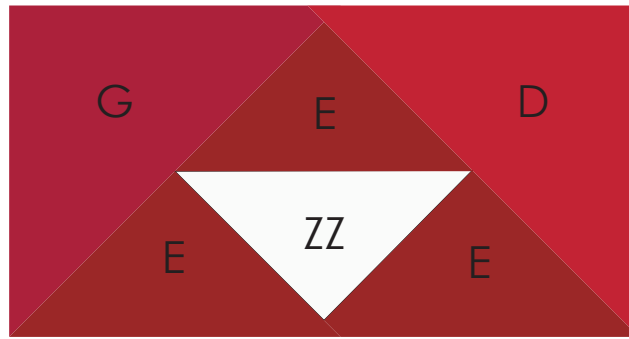

Notes:

- These assembly instructions are specific to the A Blocks. All Blocks (A-F) are assembled in the same way. Refer to the Block Assembly Diagrams for fabric placements within the blocks.
- This quilt is constructed using paper piecing for portions of the block. Sew the pieces in the order indicated on the template. Trim seam allowances to 1/4" as each new piece is added.

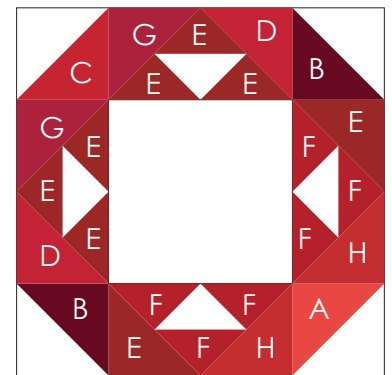

Step 1: Pair each 5-1/2" square (Fabrics A, B and C) with a background fabric square (Fabric ZZ), right sides together. Mark a diagonal on the wrong side of the background square. Sew 1/4" away from both sides of the marked line. Cut along the line, creating two half-square triangle (HST) blocks. Press the seam toward the darker fabric. Trim to 5" square. Repeat for all 5-1/2" squares for the A Blocks.

Step 2: Paper piece Template 1, following the order indicated on the template and the fabric placement indicated in the Block Assembly Diagram.

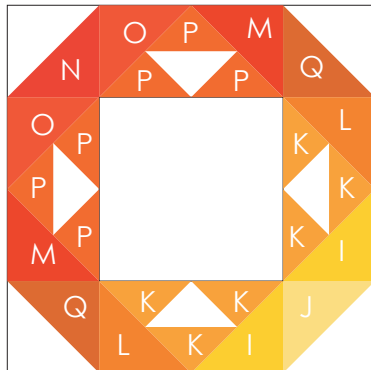

Step 3: Gather four HSTs, four Template 1 units and one 9-1/2" background square. Arrange in three rows of three, following the Block Assembly Diagram. Sew together into rows, pressing seams toward the Template 1 pieces. Sew the rows together, nesting the seams and pressing the row seams open. The block should now measure 18-1/2" square.

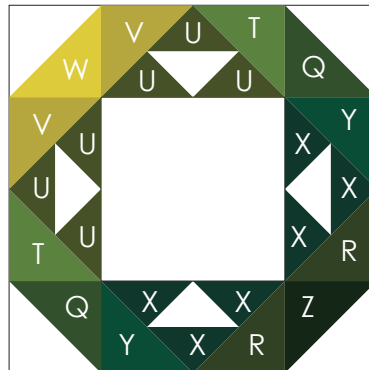

Block A - Make 2

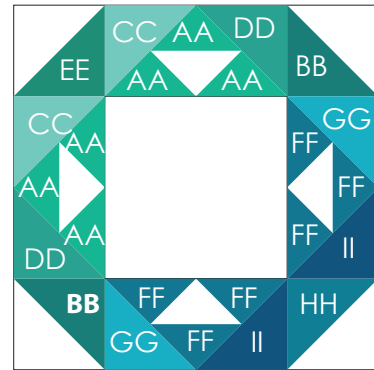

Repeat to make the remaining blocks in the quantity indicated.

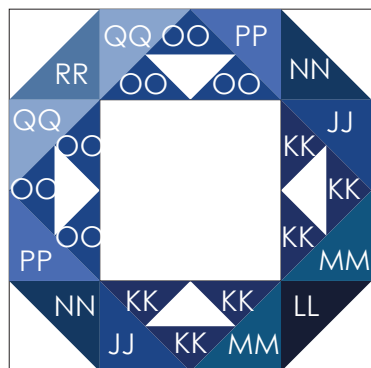

Block B - Make 3

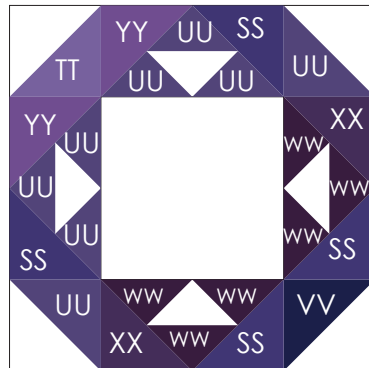

Block C - Make 4

Block D - Make 4

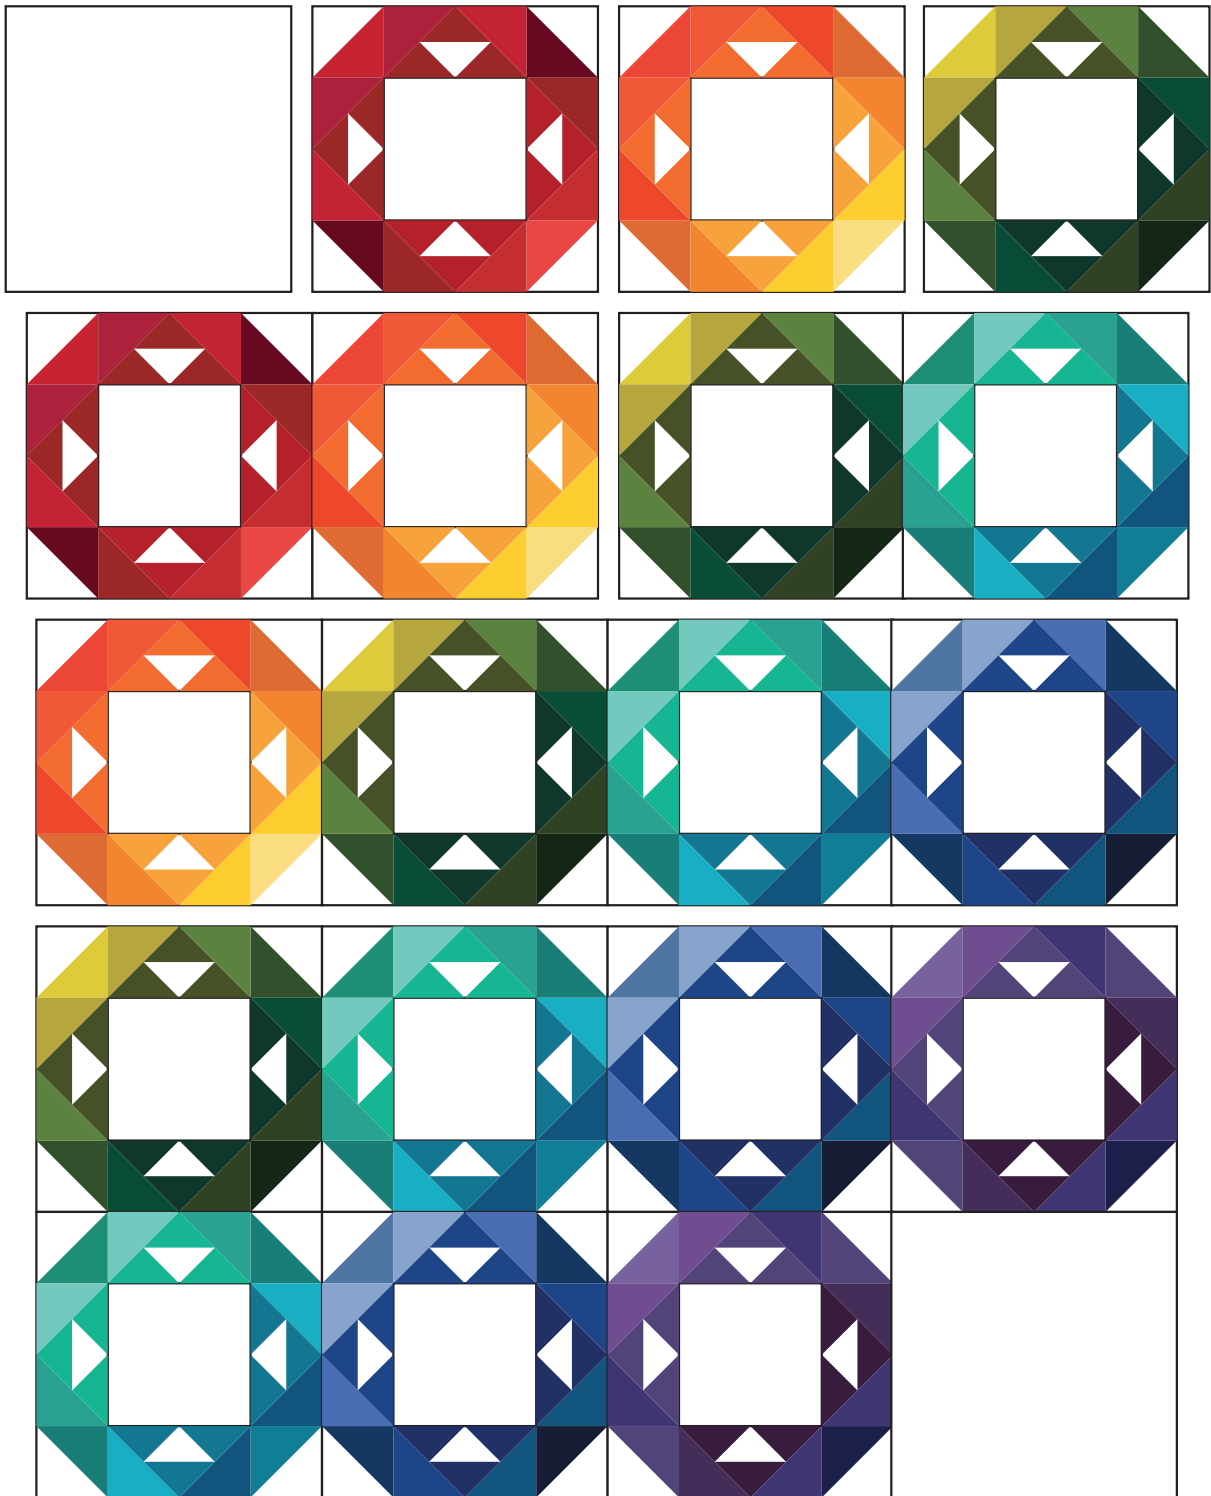

Block E - Make 3

Block F - Make 2

Block Assembly Diagram

Assemble the Quilt

Step 1: Arrange the A-F Blocks and the two 18-1/2" squares into five rows of four blocks each. Refer to the Quilt Assembly Diagram for fabric placement and block orientation.

Step 2: Sew the blocks together to form rows, pressing the seams to the left in odd numbered rows and to the right in even numbered rows. Sew the rows together, nesting the seams and pressing the row seams open.
