Pumpkin Poster
Designed by Ramona Rose

Featuring
Classic Horror Films
Cinema Series

Supplies Needed

- 2/3 yard (1 panel) ARD-14481-282
- 1 yard SRK-14727-2
- 1-3/4 yards Kona Black
- 1/4 yard Kona Corn Yellow
- 1/8 yard Kona Clover
- 2/3 yard Kona Kumquat
- 1/2 yard Binding fabric
- 4 yards Backing fabric
- Twin-sized Batting

Pattern Level: Experienced Intermediate
“ I know the ropes and would like to test my skills!”

For individual use only - Not for resale
Copyright 2014, Robert Kaufman

Finished Quilt Measures: 67” x 66”

Notes Before You Begin
- All of the seam allowances are 1/4” unless otherwise noted.
- Remember to measure twice and cut once!
- Please read through all of the instructions before beginning.
- Label all of the pieces by letter as you cut them out.

Cutting Instructions

ARD-14481-282 (Poster Panel)
- Cut apart the posters, making each one as large as possible (about 1/8” from the outer border.)
  Set aside.

SRK-14727-2 (Blood Type Fabric)
- Cut 2 strips 3-1/4" x 24" and 2 strips 3-1/4" x 36" (for inner medallion border).
- Cut 7 strips 3" x WOF (for outer border).

Kona Corn Yellow

Kona Clover
Sewing Instructions

Step 1: Tall Pumpkin Block Assembly (make 4)

- Place a Black C on 1 corner of a Tall Pumpkin Rectangle.

- Sew diagonally across the black square, from corner to corner.

- Trim off the corner, 1/4" from the seam.

- Press the seam open.

- Repeat on other corners of the same pumpkin to make the pumpkin’s body.
To make the Stem:

1. Place the **Green A** and the **Black F** pieces perpendicular to each other, forming a square with the overlap.
2. Sew diagonally across the square, from 1 corner to the other.
3. Trim off the corner, 1/4" from the seam, and press the seam open.
4. Trim to 1-5/8" x 6").

---

**Step 2: Short Pumpkin Block Assembly (make 2)**

Follow the same steps as for the Tall Pumpkin, but the dimensions will be different.

- Use **Black G** squares for the 4 corner pieces, sew, trim and press.
- For the Stem use **Green A** and **Black J** pieces and then trim to 1-5/8" x 4".
- Sew stem unit to **Black I** pieces.
- Sew rows together using **Black H** pieces for bottom row.
- Square up block to 8-5/8" x 12-1/8").

---

**Step 3: Jack O'Lantern Block Assembly (make 2)**

**To make the eye rectangles:**

Use the same method as the stems and corners.

- Place a **Yellow A** square in the lower left corner of a **Orange A** rectangle.
- Sew diagonally, corner to corner, trim the outer corner, press open.

- Repeat on the lower right corner of the remaining **Orange A** rectangle to make the other eye.

---

**To Assemble The Block:**

- Sew the stem to **Black E** pieces to make the top row of the tall pumpkin block.
- Sew the rows together to make a tall pumpkin block.
  - **Top row:** stem
  - **Middle row:** pumpkin body
  - **Bottom row:** **Black D**.

- Square up block to 8-5/8" x 17-1/8".
Sew each row:
Row 1: eye rectangle, Orange D, eye rectangle
Row 2: Orange C
Row 3: Orange E, Yellow B, Orange E
Row 4: Orange C
Row 5: Orange F, Yellow C, Orange F, Yellow C, Orange F
Row 6: Orange G, Yellow D, Orange G
Row 7: Orange B

- Find the center of each row by folding and finger pressing, then sew the rows together, matching the centers to make the body block.

- Trim the body block to square it up, as some of the strips will extend beyond others (trimming square is easier than measuring to 16ths and 32nds of an inch!).

To make the lantern body into a pumpkin block, the steps are the same as with tall pumpkin, but with different dimensions:

- Use Black O squares for the top corner pieces, and Black K squares on the bottom corners. Sew, trim and press.
- For the stem use Green C and Black N pieces and then trim to 2-5/8” x 3”.
- Sew stem unit to Black M pieces.
- Sew rows together using Black L.
- Square up block to 13-1/2” x 15-1/2”

Step 4: Assemble the Quilt Top

- Sew the large posters to the Jack o’Lantern blocks to make the center of the quilt (Sew them in rows, top: Pumpkin, Poster, bottom: poster, pumpkin, then sew the rows together.)

- Sew the 24” long Blood Type strips to either side of the center, then sew the 36” strips to the top and bottom.

Square up to 35-3/4” x 29-1/4”.
- Make a row with a small poster, a **Black B** spacer, a short pumpkin, another **Black B** spacer, and then another poster. Sew together.

- Sew a black **Strip** cut 36” long to the bottom of the row, then sew this row to the top of the quilt center.

- Repeat the poster/spacer/pumpkin/spacer/poster row, but add the black strip to the top.

- Sew this section to the bottom of the center.

- Make a column with a tall pumpkin, a **Black A** spacer, a poster, a **Black A** spacer, and another pumpkin. Sew together.

- Sew 3 black **Strips**, short sides together.

- Cut pieced strip half and sew to either side of the column, then sew to the left side of the quilt center.

- Repeat for the right side.

- Sew 3 black **Strips**, short sides together.

- Cut pieced strip in half and sew to the top and bottom of the quilt center.

- Sew the remaining Blood Type strips, short sides together.

- Sew strips to either side of the center and then to the top and bottom, trimming as you go.

  Baste, quilt, bind, and enjoy!
