You will also need:
3-1/4 yards for backing
Half-Square Triangle or Easy Angle (by EZ Quilting)
***NOTE:** If not using the tool, cut 3-7/8" squares,
cut once on the diagonal for half-square
triangles.

Notes Before You Begin

- Read through all of the instructions before beginning.
- All of the seam allowances are 1/4" unless otherwise noted.
- Press seam allowances open unless otherwise noted.
- Width of fabric (WOF) is equal to at least 42" wide.
- Right sides together has been abbreviated to RST.
- Half-Square Triangle has been abbreviated to HST.
- Remember to measure twice and cut once!

Cutting Instructions

From Fabric A, cut:

seven 3-1/2" x WOF strips. Sew together, end-to-end, then set aside for the outer border.

two 3-1/2" x WOF strips. Subcut:

twenty half-square triangles*

three 3-1/2" squares

two 2" x WOF strips. Subcut:

four 2" x 21" strips for the strip sets

**Cut the 42" long strips in half, making them 3-1/2" x 21". Layer a light and a dark fabric together and cut triangles using the Easy Angle tool. They will then be ready to sew. Mix the colors well, always putting a light with a dark triangle. Fabrics B-H will be the "lights" and Fabrics A and J-M will be the "darks."*

From Fabric B, cut:

six 1-1/2" x WOF strips. Sew together, end-to-end, then set aside for the inner border.

From each of Fabrics C-M, cut:

two 3-1/2" x WOF strips. Subcut:

twenty half-square triangles*

three 3-1/2" squares

two 2" x WOF strips. Subcut:

four 2" x 21" strips for the strip sets

From the Binding Fabric, cut:

seven 2-1/2" x WOF strips

Assembling the Blocks

Step 1 Sew all the triangles together, pairing light and dark triangles. Press toward the dark triangles. Make one hundred twenty HSTs measuring 3-1/2" square.

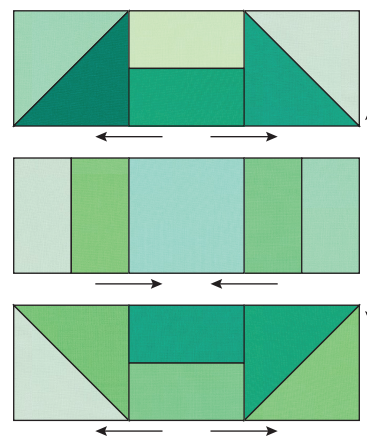

Step 2 Sew a light and a dark 2" x 21" strip together for a strip set. Make twenty-four strip sets. Press toward the darker fabric. Subcut five 3-1/2" wide units from each strip set for a total of one hundred twenty units.

Step 3 To assemble the Light Blocks, gather:
four HSTs
four 3-1/2" units from Step 2
one light 3-1/2" square

Arrange the units as shown. Sew into rows, pressing as shown. Join the rows to make a block, pressing as shown. Make fifteen light blocks. At this point the blocks should measure 9-1/2" square.

Step 4 Assemble the Dark Blocks in the same manner as before, using four HSTs, four 3-1/2" units from Step 2 and a dark 3-1/2" square. Sew fifteen dark blocks as shown. Note the pressing directions.

Assembling the Quilt

Step 1 Sew the blocks together in six rows of five blocks, alternating light and dark blocks. All the seams should alternate. Press the joining seams open or twist to open and spin the intersections on the wrong side.

Step 2 Join the rows. Press the seams open or twist to open and spin.

Step 3 Measure and trim two inner borders the width of the quilt. Sew to the top and bottom of the quilt. Press toward the borders. In the same manner, measure, trim and sew the inner side borders to the quilt.

Step 4 In the same manner, add the 3-1/2" wide dark borders to the quilt. Press.

Your quilt top is complete! Baste, quilt, bind and enjoy!
