Fabric and Supplies Needed

Fabric amounts based on yardage that is 40" wide.

Color	Fabric	Name/SKU	Yardage	Color	Fabric	Name/SKU	Yardage
	A	AWT-15462-239 SORBET	1-1/4 yard		B	E014-1242 NATURAL	1-1/4 yard
Copyright 2015, Robert Kaufman For individual use only - Not for resale				You will also need: 2-1/2 yards batting & backing 1/3 yards binding			

Notes Before You Begin

- Read through all of the instructions before beginning.
- Width of fabric (WOF) is equal to at least 40" wide.
- Remember to measure twice and cut once!

About this Project

This project features a unique layered fabric and quilting effect.

Cutting Instructions

Trim quilt top and linen to the same size. In this sample, both are trimmed to 37" x 42".
Cut five 2-1/4" x WOF strips for the binding.

Quilting the Quilt

Make a quilt sandwich with a print fabric and linen on top, both face up. From bottom to top, layers will be: backing, batting, print fabric, linen. Be sure not to spray baste the linen and print fabric together.

Machine quilt as desired. Angela's sample quilt shows a swirl design that creates a medallion like effect, but it's not necessary to quilt the same way. Use any free motion quilting design you like. Leave some open space between designs. These are the areas that will be cut away and filled with more quilting later on.

Once you have finished quilting the linen areas, carefully snip away the linen fabric, being careful to stay 1/4" away from the quilting lines. By cutting away the linen from the quilting designs, you will really show off your free motion work!

Fill in open areas of exposed quilt top fabric with more quilting.

Trim your top to desired size. Sample is 37" x 42".

Your quilt top is complete. Baste, quilt, bind and enjoy!
