Assembling the Pinwheel Blocks

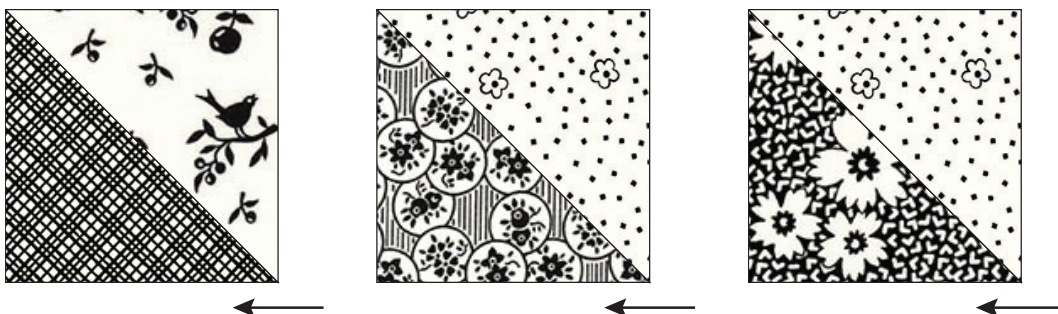

Step 1 Pair the Easy Angle triangle fabrics as follows:

Fabric B/F

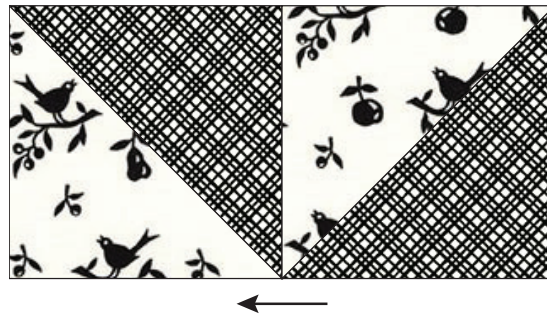

Fabric E/C

Fabric D/C

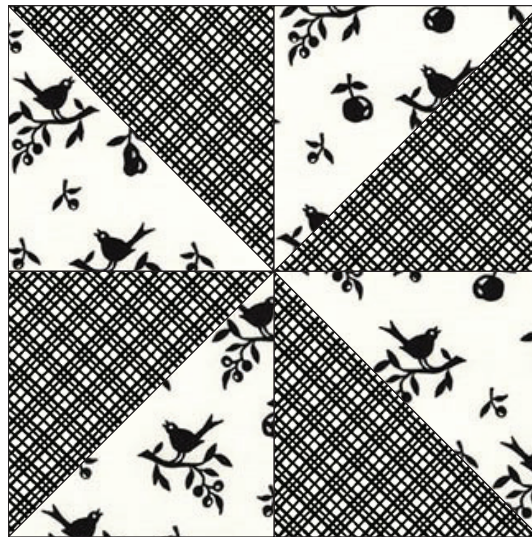

Assemble all the half-square triangles. Press toward the darker fabric. Trim off dog-ears.

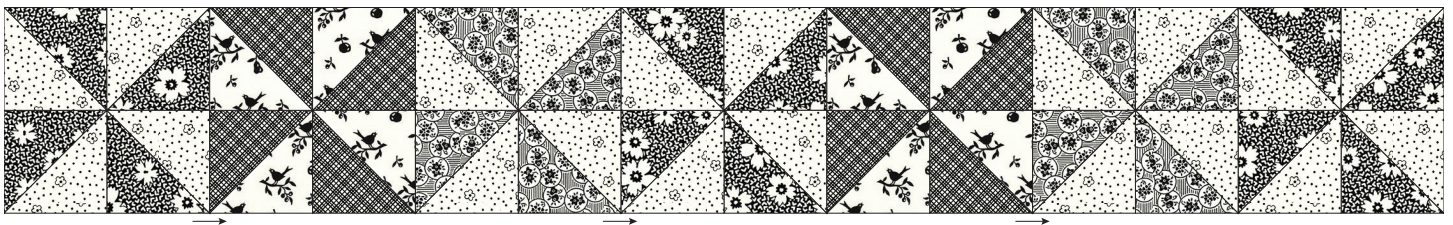

Step 2 Sew matching triangle-squares together in pairs as shown. Press.

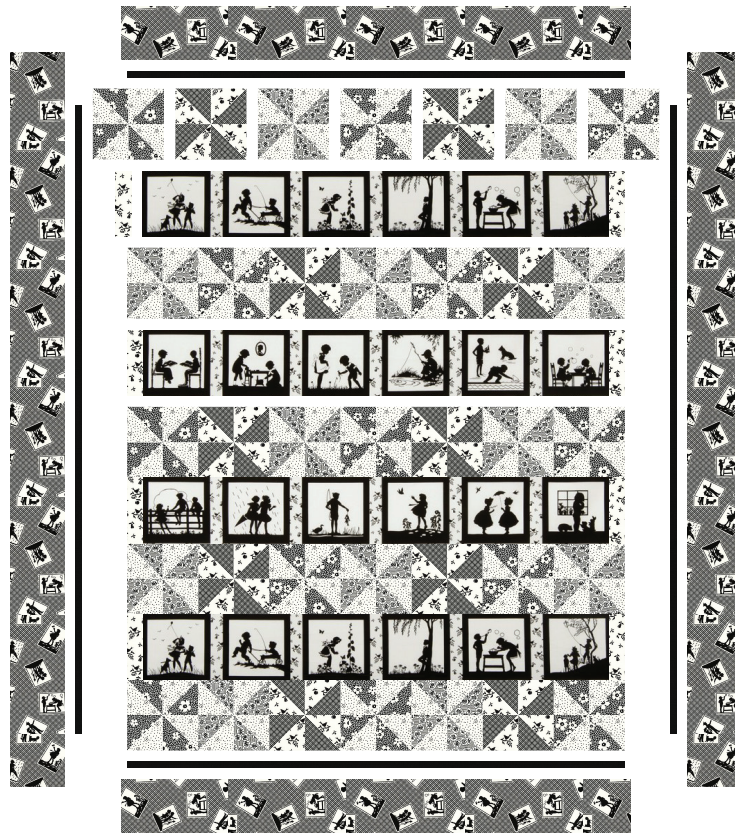

Step 3 Sew matching pairs from Step 2 together to make the pinwheel blocks. Make thirty-five total. Twist the center to pop a few threads, forming a tiny pinwheel in the center on the back side where all the seams meet. At this point the blocks should measure 6-1/2" square.

Step 4 Sew seven blocks together to form a horizontal row. Refer to the Quilt Assembly Diagram for proper fabric placement. Make five rows of pinwheel blocks. Press the seams all one direction.

Assembling the Quilt

Step 1 Trim off the selvage on the right edge of the panel rows. Trim the left edge 1/4" away from the first framed picture. Sew the bird background 2-1/2" x 6" rectangles to the left edge of each panel row.

Step 2 Measure the pinwheel rows. Trim the panel rows to the same length evenly.

Step 3 Sew the pinwheel rows and the panel rows together alternately, following the Quilt Assembly Diagram. Press the seams toward the panel rows.

Step 4 Measure and trim two Fabric G inner borders the width of the quilt. Sew to the top and bottom of the quilt. Press toward the borders.

Step 5 Measure and trim two Fabric G inner borders the length of the quilt. Sew to the sides of the quilt. Press toward the borders.

Step 6 Repeat this process for the Fabric H outer borders.

Your quilt top is complete! Baste, quilt, bind and enjoy!
