## Notes Before You Begin

- Read through all of the instructions before beginning.
- All of the seam allowances are 1/4" unless otherwise noted.
- Press seam allowances open unless otherwise noted.
- Width of fabric (WOF) is equal to at least 42" wide.
- Right sides together has been abbreviated to RST.
- Remember to measure twice and cut once!

## Cutting Instructions

### **From Fabric A, cut:**

two 14-3/4" x WOF strips. Subcut:

four 14-3/4" squares. Cut each square in half once along a diagonal. Discard one triangle, leaving seven triangles.

### **From Fabric B, cut:**

one 14-3/4" x WOF strip. Subcut:

two 14-3/4" squares. Cut each square in half once along a diagonal.

### **From Fabric C, cut:**

two 14-3/4" x WOF strips. Subcut:

three 14-3/4" squares. Cut each square in half once along a diagonal. Discard one triangle, leaving five triangles.

### **From Fabric D, cut:**

two 14-3/4" x WOF strips. Subcut:

three 14-3/4" squares. Cut each square in half once along a diagonal. Discard one triangle, leaving five triangles.

### **From Fabric E, cut:**

two 14-3/4" x WOF strips. Subcut:

three 14-3/4" squares. Cut each square in half once along a diagonal. Discard one triangle, leaving five triangles.

### **From Fabric F, cut:**

one 14-3/4" x WOF strip. Subcut:

two 14-3/4" squares. Cut each square in half once along a diagonal.

### **From fabrics G-JJ:**

First, cut a total of:

fifteen 3-3/8" squares. Cut each square in half once along the diagonal. This yields thirty triangles in fifteen different fabrics.

Tips: Cut one square from each fabric, without cutting a 3-3/8" WOF strip first, to conserve fabric for the remaining cuts.

For more variety, cut thirty squares instead of fifteen, each from different fabrics, then cut once on the diagonal and discard one triangle of each fabric. This yields thirty different triangles for the blocks.

Then, cut a total of:

thirty 2-1/2" x 21" strips

thirty 2-1/2" x 17" strips

thirty 2-1/2" x 12-3/4" strips

thirty 2-1/2" x 8-3/4" strips

Tip: Cut two 2-1/2" x WOF strips from each fabric, then subcut one strip of each length from each fabric.

**From the binding fabric, cut:**

eight 2-1/2" x WOF strips

## Assemble the Blocks

Note: These directions do not call for specific fabrics in specific spots. You are free to mix and match the fabrics to your liking, following the instructions below.

**Step 1:** Press a crease in the center of all of the 2-1/2" strips, using an iron or simply pressing with your fingers.

**Step 2:** Center a 17" strip of fabric along one side of a 21" strip of fabric, matching the center creases. Sew, right sides together, and press toward the shorter strip.

**Step 3:** Repeat the process in Step 2, centering and sewing a 12-3/4" strip to the remaining long edge of the 17" strip. Press toward the shorter strip.

**Step 4:** Repeat the process in Step 2, centering and sewing an 8-3/4" strip to the remaining long edge of the 12-3/4" strip. Press toward the shorter strip.

**Step 5:** Press a crease in the center of the longest side of each 3-3/8" triangle. Center and sew to the remaining long edge of the 8-3/4" strip. Press toward the triangle.

Repeat Steps 1-5 to form thirty striped units.

**Step 6:** Press a crease in the center of the longest side of each Fabric A-F triangle. Center and sew to the remaining long edge of the 21" strip. Press toward the striped unit. Repeat to make thirty like this.

Trim each block to 14-3/8" square. Tip: For the first trimming cuts, align one corner of your acrylic ruler with the point of the small triangle.

## Assemble the Quilt

**Step 7:** Arrange the blocks into six rows of five blocks. Note the block orientation in the Quilt Assembly Diagram.

**Step 8:** Sew the blocks together to form rows. Press the rows to the left in the odd numbered rows and to the right in the even numbered rows.

**Step 9:** Sew the rows together to form the quilt center. Press the row seams open.

Your quilt top is complete! Baste, quilt, bind and enjoy!
