Assemble the Flying Geese Units

Note: This quilt uses a time saving construction method for making flying geese blocks. You will make the flying geese units four at a time, so do not be alarmed if the cut sizes seem too large for the final block.

Step 1: Pin two 3-3/8" Fabric B squares in opposing corners of a 6-1/4" Fabric C square, RST. The squares will overlap slightly in the center of the large square. Using a ruler, draw a diagonal line through the squares.

Step 2: Sew scant 1/4" seam on each side of the diagonal line. Set the seam by pressing it flat. Cut along the diagonal line, creating two identical units.

Step 3: Press the fabric toward smaller triangles. Repeat with the second unit.

Step 4: Place one 3-3/8" Fabric B square at the corner of sewn block unit. Draw diagonal line in pencil. Sew a scant 1/4" seam on each side of diagonal line. Set seam (press). Cut along diagonal line, creating two identical units.

Step 5: Press the seam toward smaller triangle. Trim off small dog ears left by the seam allowance. Trim to 3" x 5-1/2" if necessary. Repeat to make four flying geese blocks.

Step 6: Repeat with all remaining 3-3/8" Fabric B squares and 6-1/4" Fabric C squares to make a total of twenty-four B/C flying geese blocks.

Step 7: Repeat Steps 1-6 with all 3-3/8" Fabric C squares and 6-1/4" Fabric B squares to make a total of twenty-four C/B flying geese blocks.
