Sparkle Bright

finished quilt measures approx. 46" x 62"

fabric requirements:

10 assorted 1/4 x width of fabric cuts (see cover for fabric identification)

1 FQ corduroy 21 wale-white

1 FQ preferred fusible for snowflake appliques

1/3 yard fabric for binding (Kona® Cotton - Red)

3 yards for backing (pieced)

Cut border strips first:

Cut 5 inner border strips from the same fabric:

1-1/4" x wof (APL-7585-105)

Cut 5 outer border strips 2-1/2" x WOF

Note: sample has mixed borders - 2 of 9786-203, 3 of 9786-223

Take remaining fabrics and cut at various widths, none smaller than 1-1/4" and none larger than 5-1/2".

Sample has 24 strips cut in the following widths (finished size is 1/2" smaller, after sewing):

1pc @ 5-1/2" x WOF

1pc @ 5" x WOF

2pcs @ 4-1/2" x WOF

3pcs @ 4" x WOF

3pcs @ 3-1/2" x WOF

2pcs @ 3" x WOF

3pcs @ 2-3/4" x WOF

2pcs @ 2-1/2" x WOF

3pcs @ 1-3/4" x WOF

3pcs @ 1-1/2" x WOF

1pc @ 1-1/4" x WOF

Trim selvage edges off each strip and cut to 42 1/2".

Arrange strips in preferred order or refer to diagram for strip placement.

Sew strips together in sets of two. Then, sew two sets of two together (four strips total) and continue sewing groups together in sets until all strips are sewn and top measures approx. 42-1/2"x 59-1/2".

**Reverse direction of sewing when joining each strip set to prevent distortion.*

Add side inner borders, then top and bottom inner borders. Add outer side borders, then top and bottom outer borders.

Trace snowflakes onto fusible, fuse to fabric and cut out snowflakes.

Place snowflakes on quilt top as shown on sample or to your liking. You may appliqué the snowflakes with a zig-zag or blanket stitch before layering.

**Sample quilt was layered, quilted and snowflakes were stitched on during quilting, through all layers.*

Layer, quilt, and add binding.
