Assembling the Blocks

Print eighty Block Templates at 100%

For each block you will use four matching 2-1/2" x 8" rectangles from Group 1, four matching 2-1/2" x 8" rectangles from group 2, and eight matching 3" x 7" rectangles from Group 3. Follow the illustration to pair the fabrics, or match them as you please.

<Tip: Place all of the fabrics into twenty block piles before sewing.>

Paper-piece the templates in numerical order. For two templates, Group 1 fabrics will be position #1, Group 2 fabrics will be #2 and Group 3 fabrics will be #3 & #4. On the other 2 templates, you will make a mirror image, so Group 2 will be #1, Group 1 will be #2, and Group 3 will remain #3 and #4.

Repeat to make twenty sets of four templates each. Gently remove the papers.

Sew blocks together as pictured using:

- four matching templates
- four matching 2-1/2" x 3" rectangles from Group 5
- two 2-1/2" x 3" rectangles from Group 4
- one 2-1/2" x 7-1/2" rectangle from Group 4

Pair a Group 4 and Group 5 rectangle (2-1/2" x 3") RST and sew along 2-1/2" side. Press seam toward the darker fabric. Repeat.

Sew a 2-1/2" x 3" rectangle on either end of the 2-1/2" x 7-1/2" rectangle.

Be sure to check template orientation before sewing. Press seams toward center.

Arrange and sew the quilt center together, in five rows of four blocks each.

Assembling the Quilt and Borders

Print thirty-six Border Templates at 100%.

For each template use one 3" x 7" rectangle from Group 5 and one from Group 3. Divide the templates into two stacks of eighteen. **Half of the templates should mirror image the fabric placement of the other half.**

Paper piece the templates and gently remove the papers.

Sew Border templates into four border strips, as pictured. Sew a 2-1/2" x 3" Group 5 rectangle between every two templates and Group 5 squares to the ends of the top and bottom borders. Note the orientation and placement of the fabrics in the Quilt Assembly Diagram.

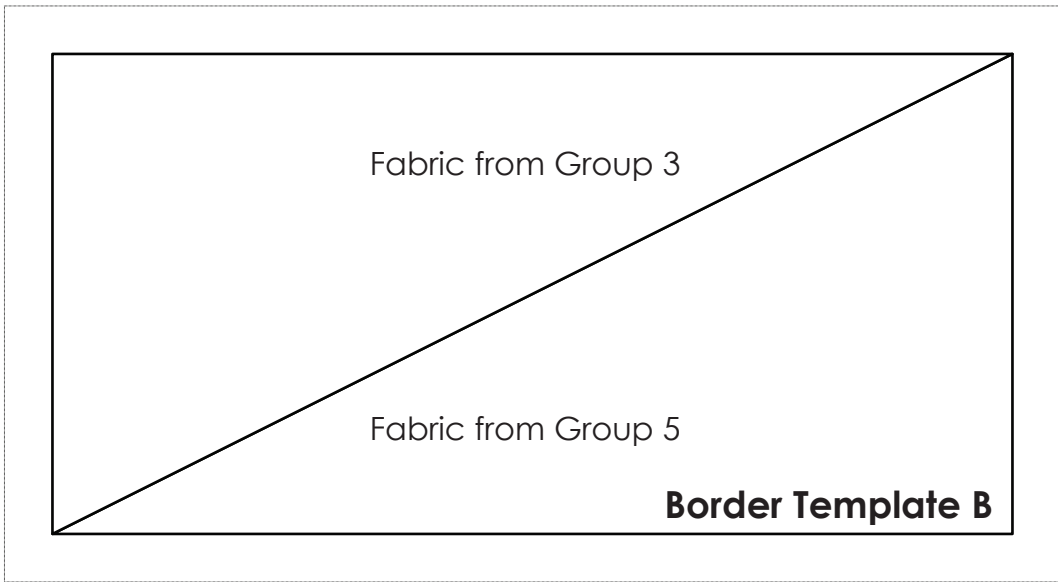

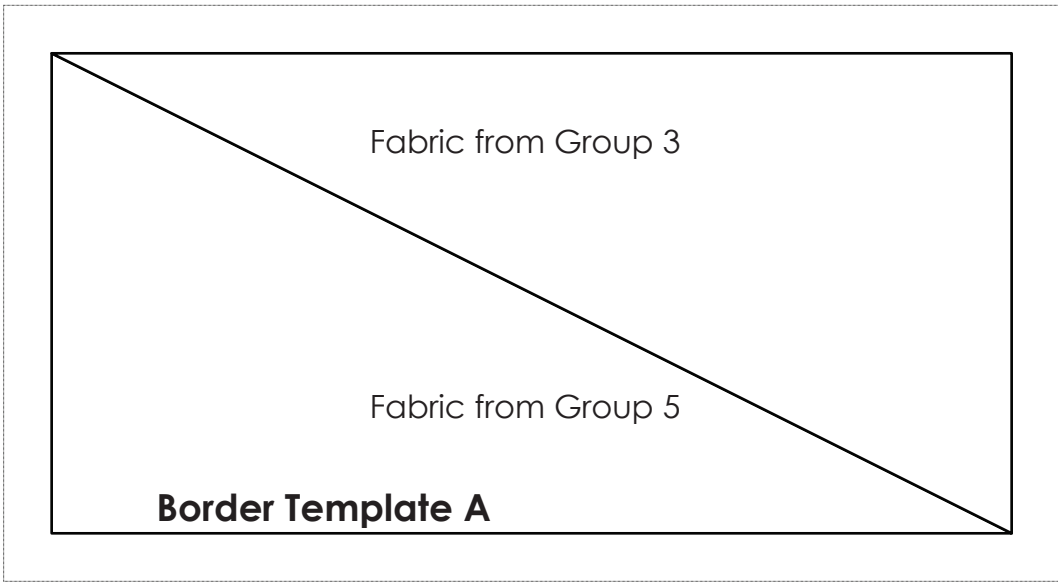

Your quilt top is complete. Baste, quilt, bind and enjoy!
