Fabric and Supplies Needed

Color	Fabric	Name/SKU	Yardage	Color	Fabric	Name/SKU	Yardage
	A	ADZ-14799-200 VINTAGE	1 panel	You will also need: 3/4 yd. Pellon Peltex with fusible on both sides 2/3 yd. 1/4" wide grosgrain ribbon Hole punch Pinking shears or pinking blade for rotary cutter			

Notes Before You Begin

- Please read through all of the instructions before beginning.
- All of the seam allowances are 1/4" unless otherwise noted.
- Remember to measure twice and cut once!

Cutting Instructions

Fabric A

- Fussy cut around each of the pictures in the panel, outside the white area around each picture (8" x 10") to create Pages.

Peltex

- Cut five rectangles measuring 8" x 10" (the same size as the pictures).

Assembly Instructions

Step 1: Fuse the Pages

- Starting with the "Bunny Tales" picture for the front cover, lightly fuse to one side of a Peltex rectangle. Fuse the next Fabric A Page to the back side of the Peltex rectangle.
- Once the Fabric A Pages are lightly fused in place, fuse each side of the Page according to the directions that come with the Peltex.
- Repeat for each of the Pages.

Step 2: Pink the Edges

- Using a pinking shears or pinking blade, trim all four edges of the Pages.

Step 3: Final Assembly

- Mark the placement for 3 holes along the left edge of the front cover. Using a small hole punch, punch out the holes. Use the front cover to mark placement for the holes on the remaining Pages. Punch out, then thread an 8" length of ribbon through the holes and tie the Pages together.

Your book is finished!
