Designed By Robert Kaufman

Ten Square Friendly!

## Supplies Needed

- 1 Kona Ten Squares Summer '13 palette (TEN-141-42)
- 5/8 yard fabric or 1 fat quarter for backing
- 1/4 yard fabric for binding
- 15" x 15" piece of batting

**Pattern Level: Experienced Intermediate**

*"I know the ropes and would like to test my skills!"*

For individual use only - Not for resale

Copyright 2013, Robert Kaufman

Finished quilt measures 12" x 12"

## Before You Begin

- Print 4 copies of the templates (found below) at 100%, add 1/4" seam allowance and cut out. There are 2 templates per page (A & B), so you will have 8 templates. You can use a lightweight paper such as newsprint, tracing paper, or use regular printer paper (it will just be a little more effort to tear the papers off).
- Remember to measure twice, cut once!

## Tips For Paper-piecing

- Place your fabric on the unprinted side of the template and sew on the printed side.
- You can transfer lines to the opposite side of the paper with a tracing wheel, or by folding and creasing your paper.
- Use a short stitch length (about a 1.5).
- Backstitch in the seam allowance at the beginning and ending of each seam.
- Trim seam allowance to 1/4" after each seam and press flat with a dry iron. This will keep your seams crisp and your quilt flat.

## Cutting Instructions

From the Ten Squares pack, choose 2 squares for the background and 2 squares for the center of the star. Select 10 squares for the star strips and separate them into 2 groups of 5 squares each.

### -From the two background squares:

Cut 4 squares 5" x 5" from each fabric, then cut the 5" squares diagonally to make triangles.

### -From the two center star squares:

Cut 2 strips 2 1/2" x 10" from each fabric, then cut into rectangles 2 1/2" x 5".

### -From the 10 star strip squares:

Cut 4 strips 1" x 10" from each fabric, then cut each strip in half so they measure 1" x 5".

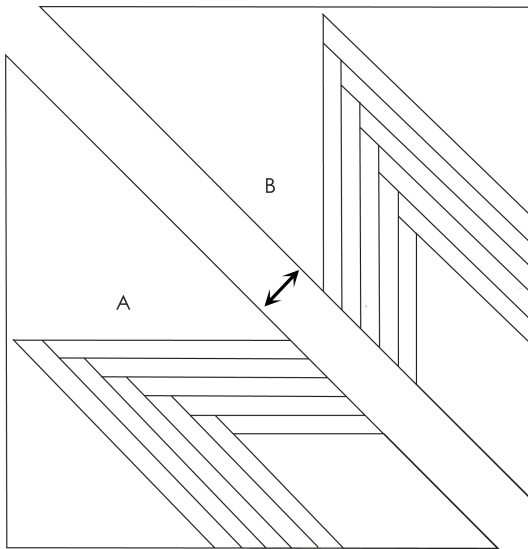

---

## Piecing Instructions

### Step 1: Paper Piece Templates

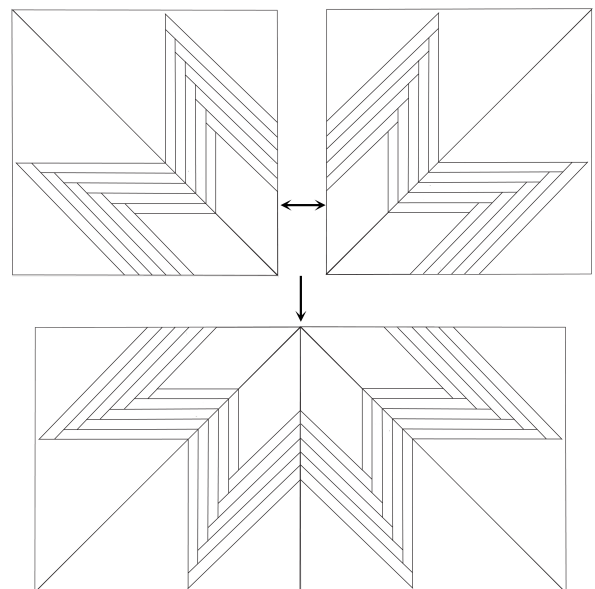

- Piece template A in numerical order, beginning in the middle and working your way out.
- Trim excess fabric, making sure to leave a 1/4" seam allowance around the template.
- Repeat to create 8 paper pieced sections (4 template A and 4 template B).

### Step 2: Assemble Quilt

Sew A to B, matching seams, and press seam allowance open. Remove papers.

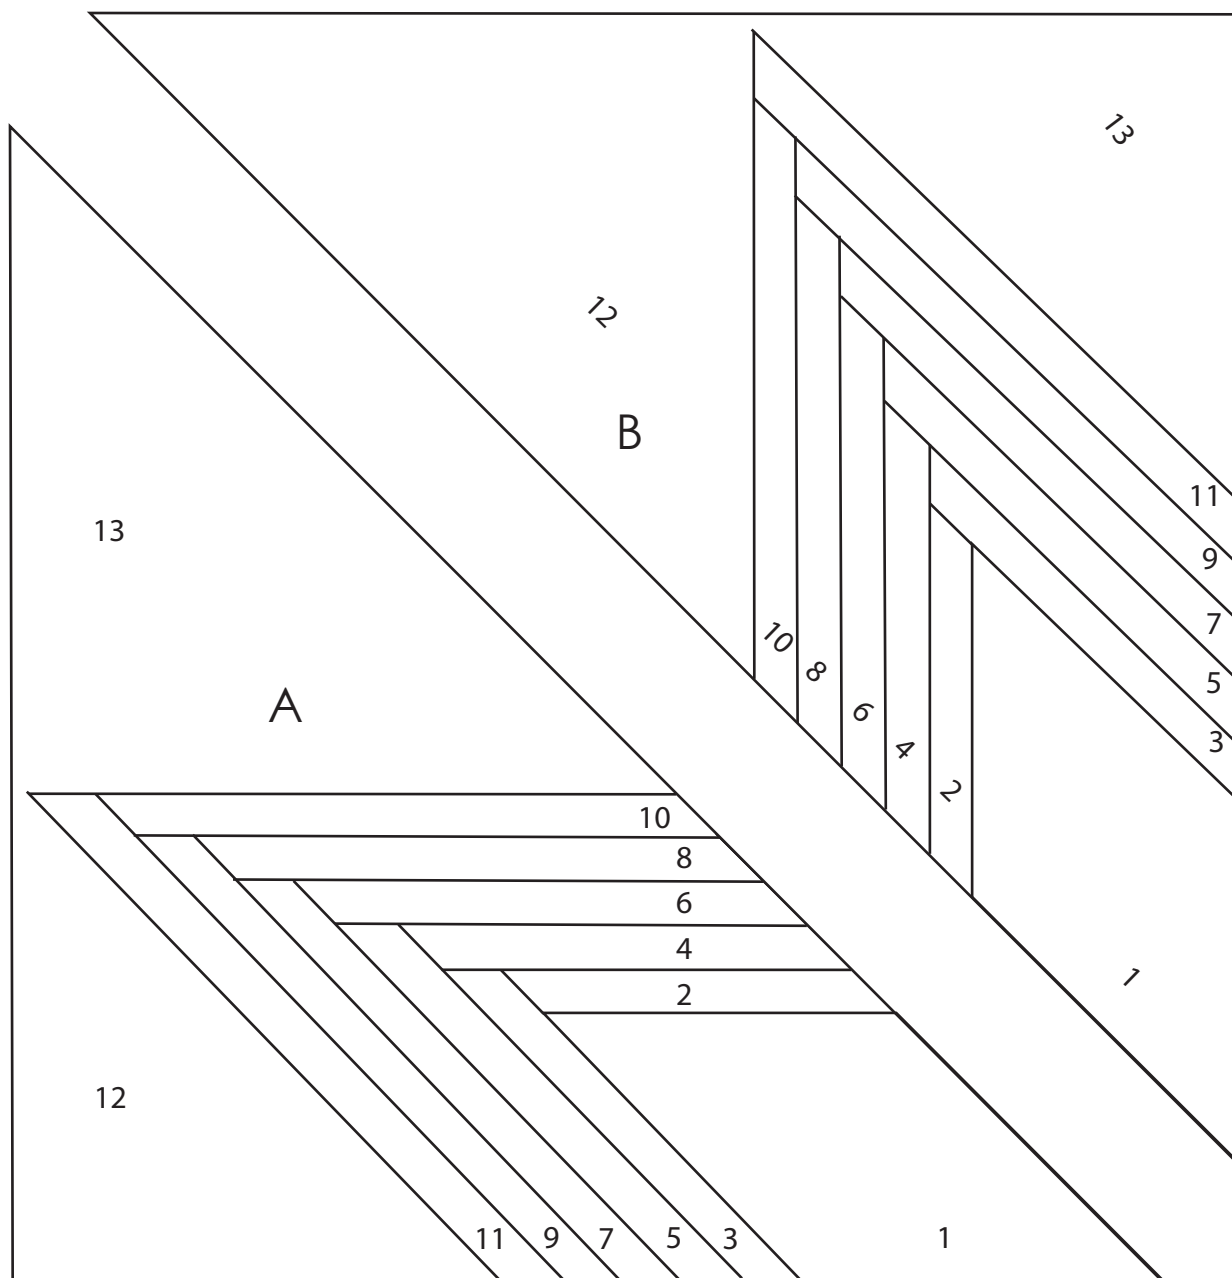

Repeat to make 4 blocks.

Sew blocks together as pictured.

Press seams open.

Baste, quilt, bind and enjoy your quilt!

Print 4 copies

Stitch in numerical order

Be sure to add 1/4" seam allowance before cutting
