Notes Before You Begin

- Please read through all of the instructions before beginning.
- All of the seam allowances are 1/2" unless otherwise noted.
- Width of fabric (WOF) is equal to 57" wide.
- Remember to measure twice and cut once!

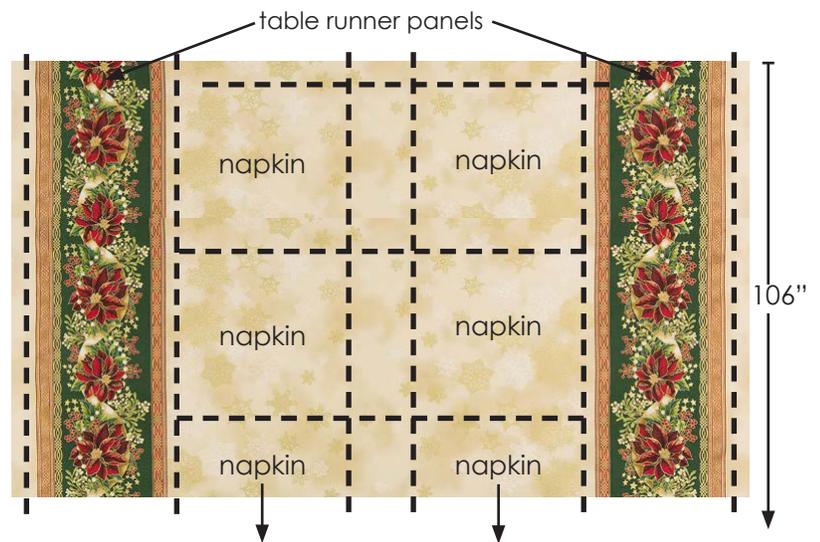

Cutting Instructions

Table Runner & Napkins

- For the Table Runner: Cut 2 strips along sides as illustrated. You will cut 1/2" away from each side of the decorative panel.
- For the Napkins: Cut sixteen squares 12-1/2" x 12-1/2" from remaining center fabric.

Tablecloth

- True up the short ends so they are even and leave the selvages intact.

Assembly Instructions

Table Runner

1. Sew the two long panels short sides together using a 1/2" seam allowance. Be sure to match up the designs on the panels as closely as possible.
2. Finish the seam by pinking, zig-zagging or serging each seam allowance, then press the seam open.
3. On the short sides, press edge under 1/4" and then 1/4" again to encase the raw edges and then sew along pressed hem to secure.
4. Repeat on long sides, pressing under 1/4" twice and then sewing.

Napkins

1. Hem napkins the same way as the table runner. Press two opposite sides under 1/4" and then 1/4" and sew. Then repeat with the two remaining sides.

Tablecloth

1. Hem tablecloth the same way as the table runner, hemming short sides first and then long sides.

Enjoy your holiday table!
