

Victorian Radiance

designed by Kelly Gallagher-Abbott of Jukebox Quilts
Peacock color shown

featuring
Radiance

40" x 40"

Captivated by the beauty of Radiance, Kelly was anxious to create a wholecloth quilt using patterns she designed for her Statler/Gammill machine. The quilt top and lining are Radiance, stabilized with a layer of 100% cotton fabric to control shrinkage & distortion during quilting. Two battings were used - Quilter's Dream Select & Hobbs Heirloom Wool. Kelly recommends using only wool batting, as the cotton batt adds extra stiffness.
