Notes Before You Begin

- Please read through all of the instructions before beginning.

- Press seam allowances open unless otherwise noted.
- Width of fabric (WOF) is equal to at least 42" wide.
- Remember to measure twice and cut once!

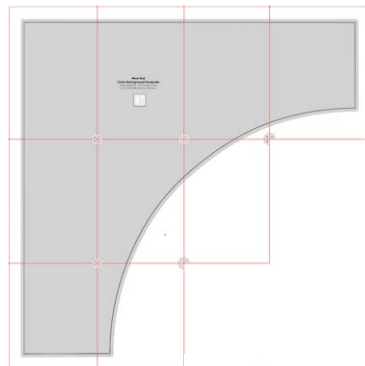

Printing the Templates

Triangle Arch Templates: Print four copies each of pages 7-9 at 100%. Cut out along gray seam allowance lines. Do NOT tape together.

Inner and Outer Background Templates: Print one copy each of pages 10-27 at 100%. Trim along the red lines and then tape together, matching letters and circles. You will have two large templates that look like the illustrations below. Cut the templates out along the gray seam allowance lines.

Inner Background Template

Outer Background Template

Triangle Blocks: If you choose to paper-piece the triangle blocks, print twenty-eight copies of page 28 (Triangle Block Paper-Piecing Template) at 100%. Cut templates out along gray seam allowance lines.

Alternately, you may free piece the blocks by printing one copy of page 29 (Triangle Template) and one copy of page 28. Use the Triangle Template to cut the triangles and then use the Triangle Block Paper Piecing Template as a guide to trim the finished blocks (see page 5 for a photo).

Cutting Instructions

Fabric A

- Cut five strips 5" x WOF, then subcut thirty-six squares 5" x 5" (Triangle Arch).
- Cut four strips 6" x WOF, then subcut fifty-six rectangles 3" x 6".
 - Cut the rectangles diagonally to make triangles. (Background for Triangle Blocks).

Fabric B

- Cut four pieces using the Inner Background Template.
- Cut four pieces using the Outer Background Template.
- Cut eight strips 4" x WOF (Outer solid border).

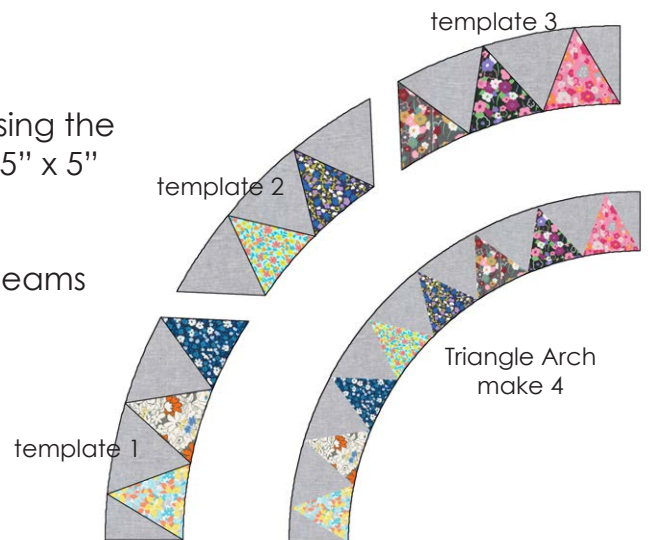

Fabric C-gg (Choose a mix of these fabrics for your quilt. Some will be used twice.)

- Cut thirty-two rectangles 4" x 5" (Triangle Arch)
- Cut fifty-six pieces using the Triangle Template (Triangle Block) OR, if paper-piecing, Cut fifty-six squares 4-1/2" x 4-1/2".

Assembly Instructions
