two 4-1/2" x 54-1/2" side outer borders

Assemble the Quilt Center

Step 1: Arrange the 7-1/2" x 8-1/2" blocks in four rows of four blocks, each. Note that the eight Fabric A panel pieces alternate with the eight B-1 pieces. Refer to the Quilt Assembly Diagram, if necessary. Sew a 2-1/2" x 8-1/2" Fabric L block sashing strip between each block. Press toward the sashing. Repeat to make four rows.

Step 2: Sew the 2-1/2" x 34-1/2" Fabric L sashing and block rows together, pressing the row seams open.

Step 3: Sew together the pieced strip by alternating 2-1/2" x 3" Fabric J and K rectangles. Press seams to one side. Sew to the top and bottom of the quilt center, pressing toward the quilt center.

Assemble the Borders

Step 4: Sew a side inner border to each side of the quilt, pressing the seams toward the border. Sew the top and bottom borders to the quilt center. Press the seams toward the border. Note: For these borders, pay special attention to the orientation of the border print.

Step 5: Sew a side outer border to each side of the quilt, pressing the seams toward the outer border. Sew the top and bottom borders to the quilt center. Press the seams toward the border.

Your quilt top is now complete! Baste, quilt, bind and enjoy!
