Assembly Instructions:

1) Following the manufacturer’s instructions, trace sixty petals, twelve circles, and eighteen leaves onto the paper side of the fusible web. Roughly cut out each shape outside the drawn lines.

2) Press each fusible petal onto the back side of Fabric F. Press the circles and leaves onto the back side of Fabric G. Cut out each shape on the drawn lines.

3) To make the stems, press a remaining piece of fusible web onto the back side of the remaining Fabric G fabric. Using a ruler with a 45º angle mark, cut 1/2" bias strips for the stems.

4) Refer to the quilt photo and press the petals, circles, leaves, and stems in place on each 10-1/2" x 60-1/2" Fabric B strip. Curve the bias stems as you press them in place.

5) Finish all the raw edges of appliques with a decorative stitch, such as a satin or buttonhole stitch to complete three flower panels.

6) Refer to the quilt photo and sew one 8-1/2" x 60-1/2" Fabric A strip to each side of the center flower panel to make the quilt top. Sew one side flower panel on each side of the quilt top. Sew one 5-1/2" x 60-1/2" Fabric A strip to each side of the quilt top.

7) Place one 2-1/2" Fabric E square on the left side of one 2-1/2" x 4-1/2" Fabric C strip, right sides together (Fig. 1). Sew across the diagonal of the square from the upper right corner to the lower left corner (Fig. 1). Flip open the triangle formed and press (Fig. 2). Trim away the excess fabric from behind the triangle leaving a 1/4" seam allowance.

8) Place another 2-1/2" Fabric E square on the right side of the 2-1/2" x 4-1/2" Fabric C strip, right sides together (Fig. 3). Sew across the diagonal of the square from the upper left corner to the lower right corner (Fig. 3). Flip open the triangle formed and press (Fig. 4). Trim away the excess fabric from behind the triangle leaving a 1/4" seam allowance. Repeat to make twenty-eight Fabric C flying geese units.

9) Repeat Steps 7 and 8 with twenty-eight 2-1/2" x 4-1/2" Fabric D strips and the remaining 2-1/2" Fabric E squares to make twenty-eight Fabric D flying geese units.

10) Refer to the quilt photo and sew together fourteen Fabric C and fourteen Fabric D flying geese units to make the top pieced border. Repeat to make the bottom pieced border. Sew the pieced borders to the top and bottom of the quilt top.

11) Sew one 2-1/2" x 68-1/2" Fabric G strip to each side of the quilt top. Sew one 2-1/2" x 60-1/2" Fabric G strip to the top and bottom of the quilt top.

12) Sew one 6-1/2" x 72-1/2" Fabric H strip to each side of the quilt top. Sew one 6-1/2" x 72-1/2" Fabric H strip to the top and bottom of the quilt top.

13) Layer, quilt, and bind as desired.
