## AERIAL

Designed by Ariga Wilson for RK www.robertkaufman.com

Featuring
KONA cotton solids

Finished quilt measures: $68^{\prime \prime} \times 76^{\prime \prime}$

Fabric amounts based on yardage that is 42 " wide.

| Color | Fabric | Name/SKU | Yardage | Color | Fabric | Name/SKU | Yardage |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: |
|  | A | $\begin{aligned} & \text { KOO1-152 } \\ & \text { CLOUD } \end{aligned}$ | 2 yards | - | 1 | K001-1048 BRT. PERI | 1/3 yard |
|  | B | $\begin{aligned} & \text { K001-1178 } \\ & \text { INDIGO } \end{aligned}$ | 1-1/3 yard |  | J | $\begin{gathered} \text { K001-1452 } \\ \text { DENIM } \end{gathered}$ | 1/4 yard |
|  | C | K001-318 GRAPEMIST | 1/3 yard |  | K | K001-844 <br> PRINCESS | 1/3 yard |

Fabric amounts based on yardage that is 42 " wide.

## Notes Before You Begin

- Read through all of the instructions before beginning.
- All of the seam allowances are 1/4" unless otherwise noted.
- Press seam allowances open unless otherwise noted.
- Width of fabric (WOF) is equal to at least 42" wide.
- Right sides together has been abbreviated to RST.
- Remember to measure twice and cut once!

## Cutting Instructions

## From Fabric A, cut:

fourteen 3-1/2" x WOF strips. Sew together, end-to-end, then trim:
two 3-1/2" x 68-1/2" top/bottom outer borders
six 3-1/2" $\times 70-1 / 2^{\prime \prime}$ column sashing strips
four 2-1/2" x WOF strips. Subcut:
fifteen 2-1/2" x 10-1/2" block sashing strips
one 9-1/4" x WOF strip. Subcut:
two 9-1/4" squares for the flying geese

## From Fabric B, cut:

twenty-seven 1-1/2" x WOF strips. Subcut:
ten 1-1/2" $\times 20-1 / 2^{\prime \prime}$ strips for the Block 4 side borders
ten $1-1 / 2^{\prime \prime} \times 16-1 / 2^{\prime \prime}$ strips for the Block 4 side borders
ten 1-1/2" $\times 12-1 / 2^{\prime \prime}$ strips for the Block 4 side borders
ten 1-1/2" $\times 8-1 / 2^{\prime \prime}$ strips for the Block 4 side borders
forty $1-1 / 2^{\prime \prime} \times 10-1 / 2^{\prime \prime}$ strips for the top/bottom Block borders
one 4-7/8" x WOF strip. Subcut:
eight 4-7/8" squares for the flying geese
From each of Fabrics C, E, G, I, K, M, N and P, cut: one 9-1/4" x WOF strip. Subcut:
two 9-1/4" squares for the flying geese
From each of Fabrics D, F, H, J, L, O, Q and R, cut: one 4-7/8" x WOF strip. Subcut:
eight 4-7/8" squares for the flying geese
From the Binding Fabric, cut:
eight 2-1/2" x WOF strips

## Assemble the Flying Geese Units

Step 1: Pin two 4-7/8" Fabric D squares in opposing corners of a 9-1/4" Fabric C square, RST. The squares will overlap slightly in the center of the large square. Using a ruler, draw a diagonal line through the squares.

Step 2: Sew scant 1/4" seam on each side of the diagonal line. Set the seam by pressing it flat. Cut along the diagonal line, creating two identical units.

Step 3: Press the fabric toward smaller triangles. Repeat with the second unit.

Step 4: Place one 4-7/8" Fabric D square at the corner of sewn block unit. Draw diagonal line in pencil. Sew a scant 1/4" seam on each side of diagonal line. Set seam (press). Cut along diagonal line, creating two identical units.

Step 5: Press the seam toward smaller triangle. Trim off small dog ears left by the seam allowance. Trim to $4-1 / 2 " x$ 8-1/2" if necessary. Repeat to make four flying geese blocks.

Step 6: Repeat with all remaining 4-7/8" squares and 9-1/4" squares to make a total of:

eight C/D flying geese

eight I/J flying geese

eight N/O flying geese

eight E/F flying geese

seven K/L flying geese

eight $P / Q$ flying geese

eight G/H flying geese

seven $M / B$ flying geese

eight $A / R$ flying geese

Assemble the Blocks

## Block 1

Step 7: Gather:
two flying geese units (refer to the images here for exact fabric placement) two 1-1/2" x 10-1/2" Fabric B strips
two $1-1 / 2^{\prime \prime} \times 8-1 / 2^{\prime \prime}$ Fabric B strips
Step 8: Sew the flying geese together along the longest edge and press the seam in one direction.

Step 9: Sew the $1-1 / 2^{\prime \prime} \times 8-1 / 2^{\prime \prime}$ Fabric B strips to the left and right edges of the unit. Press. Sew the $1-1 / 2^{\prime \prime} \times 10-1 / 2^{\prime \prime}$ Fabric B strips to the top and bottom of the unit. Press. The completed block should measure 10-1/2" square. This will now be referred to as Block 1.

Step 10: Repeat to make a total of five Block 1 units, in the fabric combinations shown here.

Step 11: Gather:
three flying geese units (refer to the images here for exact fabric placement) two 1-1/2" $\times 10-1 / 2^{\prime \prime}$ Fabric B strips two 1-1/2" x 12-1/2" Fabric B strips

Step 12: Sew the flying geese together along the longest edge and press the seam in one direction.

Step 13: Sew the $1-1 / 2^{\prime \prime} \times 12-1 / 2^{\prime \prime}$ Fabric $B$ strips to the left and right edges of the unit. Press. Sew the $1-1 / 2^{\prime \prime} \times 10-1 / 2^{\prime \prime}$ Fabric B strips to the top and bottom of the unit. Press. The completed block should measure $10-1 / 2^{\prime \prime} \times 14-1 / 2^{\prime \prime}$. This will now be referred to as Block 2 .

Step 14: Repeat to make a total of five Block 2 units, in the fabric combinations shown here.

Block 3

Step 15: Gather:
four flying geese units (refer to the images here for exact fabric placement) two 1-1/2" x 10-1/2" Fabric B strips
two $1-1 / 2^{\prime \prime} \times 16-1 / 2^{\prime \prime}$ Fabric B strips
Step 16: Sew the flying geese together along the longest edge and press the seam in one direction.

Step 17: Sew the $1-1 / 2^{\prime \prime} \times 16-1 / 2^{\prime \prime}$ Fabric B strips to the left and right edges of the unit. Press. Sew the $1-1 / 2^{\prime \prime} \times 10-1 / 2^{\prime \prime}$ Fabric B strips to the top and bottom of the unit. Press. The completed block should measure $10-1 / 2^{\prime \prime} \times 18-1 / 2^{\prime \prime}$. This will now be referred to as Block 3.

Step 18: Repeat to make a total of five Block 3 units, in the fabric combinations shown here.

Step 19: Gather:
five flying geese units (refer to the images here for exact fabric placement) two $1-1 / 2^{\prime \prime} \times 10-1 / 2^{\prime \prime}$ Fabric B strips
two $1-1 / 2^{\prime \prime} \times 20-1 / 2^{\prime \prime}$ Fabric B strips
Step 20: Sew the flying geese together along the longest edge and press the seam in one direction.

Step 21: Sew the $1-1 / 2^{\prime \prime} \times 20-1 / 2^{\prime \prime}$ Fabric B strips to the left and right edges of the unit. Press. Sew the $1-1 / 2^{\prime \prime} \times 10-1 / 2^{\prime \prime}$ Fabric B strips to the top and bottom of the unit. Press. The completed block should measure $10-1 / 2^{\prime \prime} \times 22-1 / 2^{\prime \prime}$. This will now be referred to as Block 4.

Step 22: Repeat to make a total of five Block 4 units, in the fabric combinations shown here.

Step 23: Arrange the Block 1, Block 2, Block 3 and Block 4 units together as indicated in the Quilt Assembly Diagram. Sew each column together, using block sashing strips between each block. Press seams toward the sashing. Repeat to make five block columns.

Step 24: Sew the sashing and block columns together. Press seams open or to the sashing. Sew the top and bottom borders to the quilt and press.

Your quilt top is complete! Baste, quilt, bind and enjoy!
