Blocks Assembly

Piece together all of the dark pink triangles with the light pink paisley triangles.

Add a piece of 4 ½" light green to the top of each triangle unit. Add a 5 ½" piece of light green to the side of the triangle unit.

Add a 5 ½" piece of pink to the bottom of the unit. Add a 6 ½" piece of pink to the right side of the unit.

Add a 6 ½" piece of dark green to the top of the unit. Add a 7 ½" piece of dark green to the left side of the unit.

Add a 7 ½" piece of pink floral to the bottom of the unit. Add a 8 ½" piece of pink floral to the right side of the unit.

Quilt Assembly

The quilt is assembled in five horizontal rows, with four blocks in each row.

Each block is turned half a rotation from the block that is beside it.

Adding the borders

Sew the 4" x 40 ½" for the side borders.

Sew the 4" x 39 ½" for the top and bottom borders.

Layering your quilt

Start by laying out your backing piece, wrong side up then the batting, followed by the quilt top, right side up. Baste all three layers together, using large safety pins or hand basting. Now you are ready to hand or machine quilt. After your top is quilted, trim your quilt and you are ready to add the binding.
