Embroider the Blocks

Step 1 Embroider eight Fabric R blocks with floss, using 1 or 2 strands, matching the colors on the panel. Use an outline stitch, lazy daisy stitch, straight stitch and French knots. Press the blocks right side down on a fluffy towel. **Trim** the blocks to 10" square.

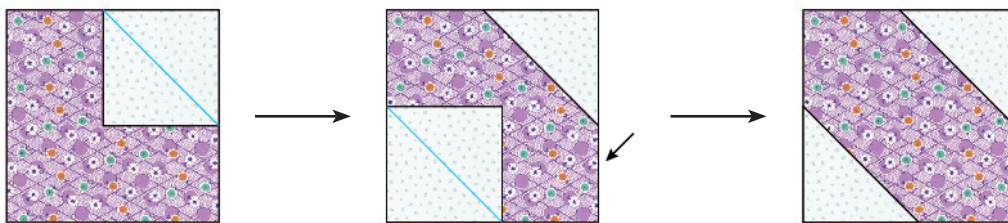

Step 2 Sew the colored 1-3/4" x 10" block border strips to the sides of each of the embroidered blocks. Press toward the border.

Step 3 Sew matching 1-3/4" x 12-1/2" block border strips to the top and bottom of each of the blocks. Press toward the border. At this point the blocks should measure 12-1/2" square. Set aside.

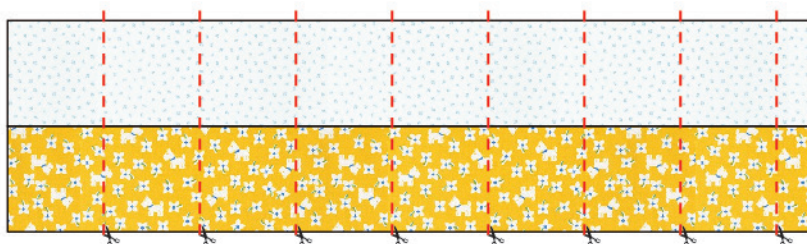

Assemble the Pieced Blocks

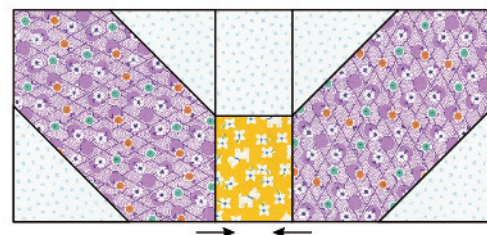

Step 1 Mark a diagonal line on the wrong side of each of the 3" Fabric T squares. Place a Fabric T square on the corner of a 5-1/2" Fabric Q square. Sew on the diagonal, trim the excess to leave a 1/4" seam allowance. Repeat on the opposite corner of the colored block. Do this same procedure for each of the 5-1/2" squares.

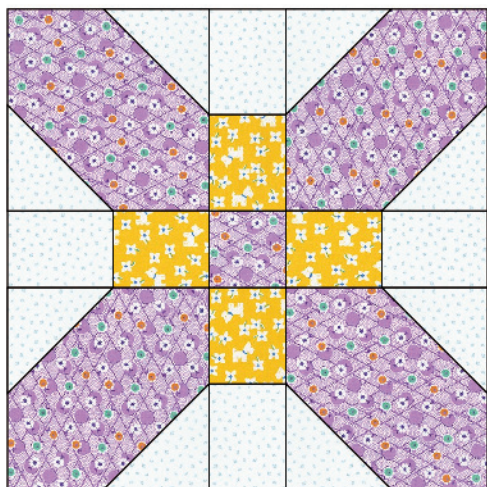

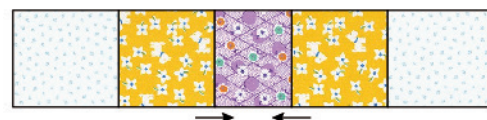

Step 2 Sew together the 3" Fabric F and 3" Fabric T strips to make two 5-1/2" x 21" strip sets. Repeat with the Fabric E and T strips to make two more strip sets. Press toward the darker fabric. Cut the strip sets apart into a total of sixteen 2-1/2" wide F/T units and twelve 2-1/2" E/T units.

Step 3 Sew two matching units from Step 1 on either side of a strip set unit from Step 2. Press toward the center. Repeat to make a second identical pair.

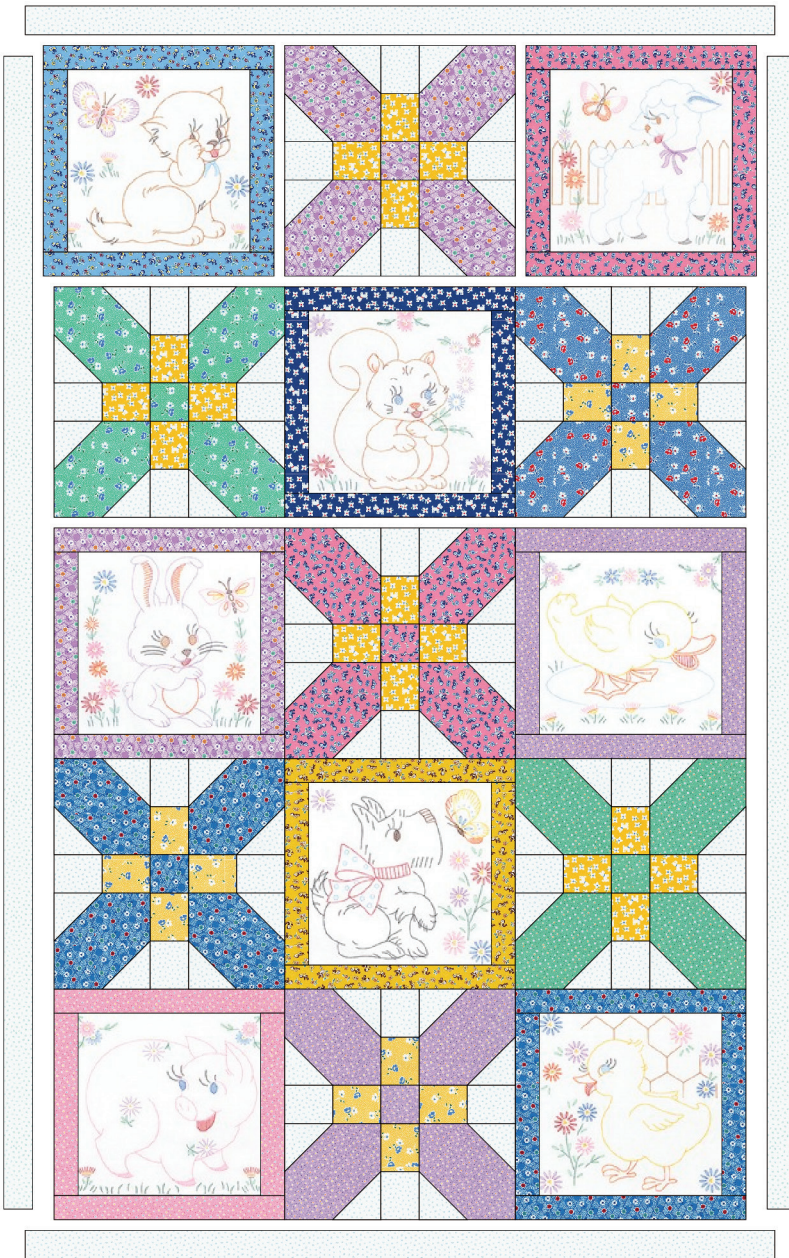

Step 4 Sew a matching 2-1/2" square between two Step 2 units. Press toward the Step 2 units.

Step 5 Sew the Step 3 and Step 4 units together to make a block. Press toward the center. At this point the block should measure 12-1/2". Repeat for the other six blocks.

Assembling the Quilt

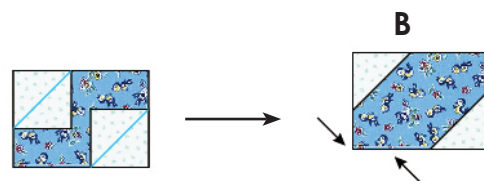

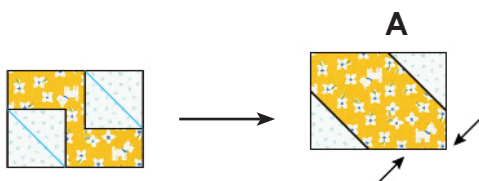

Step 1 Alternating the pieced blocks with the embroidered blocks, sew the blocks together in five rows of three blocks. Press toward the sashing.

Step 2 Sew the rows together, matching and pinning seam intersections. Press the seams all one direction.

Step 3 Measure, trim and sew the white 2" Fabric S inner borders to the sides of the quilt. Press toward the borders. Repeat for the top and bottom of the quilt.

Step 4 Mark a diagonal line on the wrong side of each of the 1-1/2" Fabric S squares. Place a square on the corner of a colorful print rectangle as shown. Sew on the diagonal, trim and press.

Note: HALF of the blocks are sewn with the corners one direction and half the other direction. Note the pressing directions also.

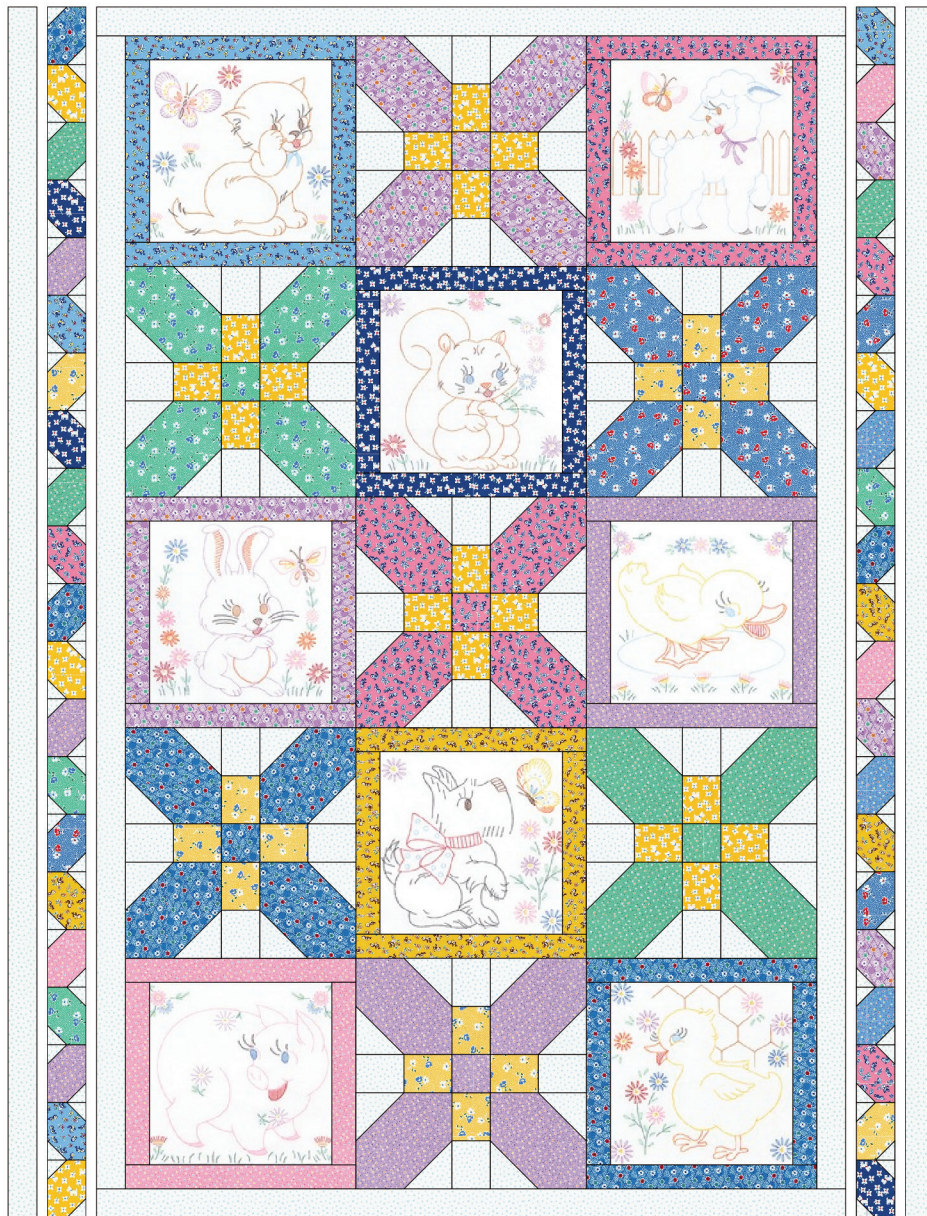

Step 6 Sew ten A and ten B units from Step 5 together in a row. Press the seams open. Repeat for the other side of the quilt. (Two units will be left over.)

Step 7 Sew an A unit to the end of the left pieced border, continuing the A/B pattern. Sew a B unit to the end of the right pieced border, continuing the A/B pattern. Press. Sew the pieced borders to the sides of the quilt. Press toward the inner border.

Step 8 Piece, measure and trim two 2" Fabric S borders the length of the quilt. Sew to the sides of the quilt.

Your quilt top is complete! Baste, quilt, bind and enjoy!
