Making the Quilt Center

Note: The quilt center is sewn together in units. Refer to the quilt center diagram to sew the units and then assemble them in the following order:

1. Position a 8-1/2" square in one corner of a 12-1/2" fabric A square. Sew in a diagonal line, trim excess fabric and fold out resulting triangle. Press seam. Repeat in each corner of the fabric A square.
2. Sew a 4-7/8" fabric C triangle to (2) adjacent sides of a 4-3/4" fabric A square. Press seams. Make 4.
3. Sew (8) 2-7/8" fabric H triangles to (8) 2-7/8" fabric C triangles. Referring to the diagram, sew a fabric B triangle to a fabric C triangle as shown. Make 4 and 4 in reverse.
4. Sew a unit to opposite sides of two of the C/A units, watching orientation of triangles. Sew these units to opposite sides of the center A/D unit made in step 1. Press seams.
5. Sew a fabric B triangle to the opposite side of the fabric C triangles on the remaining 4 units, then sew these larger triangle units to the remaining C/A units. Sew these units to opposite sides of the center unit made in step 4.
6. Sew (7) 2-7/8" fabric H triangles and (6) 2-7/8" fabric C triangles into a strip. Press seams. Make 4. Sew these strips to each side of the quilt center. Sew (8) remaining fabric C 2-7/8" triangles together in sets of two to make (4) larger triangles. Sew these to each corner.
7. Using (3) 4-7/8" fabric C triangles, sew one to each side of (1) 4-7/8" fabric B triangle to make a large triangle unit. Make 4 units. Sew a 8-7/8" fabric G triangle to the long side of these units to make a square. Press seams. Sew a 8-7/8" fabric E triangle to each side of the unit to complete the large triangular corner units. Press seams.
8. Sew the units made in step 7 to each side of the quilt center. Press seams.
9. Adding the Borders: Sew fabric C border #1 strips to the sides of the quilt center then to the top and bottom of the quilt center.
10. Add border #2 in the same manner as border #1.
11. Place a 3-1/2" fabric C square in one corner of a 6-1/2" fabric G square. Sew in a diagonal line from corner to corner. Trim away excess fabric, fold out resulting triangle and press seam. Repeat in each corner of the square to make a square-in-a-square block. Make 12.
12. Sew six blocks together in a strip to make a border #3 row. Make 2 rows. Sew these rows to the top and bottom of the quilt.
13. Sew a 3-1/2" fabric G square in one corner of a 3-1/2" x 6-1/2" fabric C rectangle. Sew in a diagonal line from corner to corner. Trim excess fabric, fold out resulting triangle and press. Repeat in the opposite corner to make a flying geese unit. Make 16 units.
14. Sew (8) flying geese units together in a row. Make (2) rows. Sew these rows to opposite sides of the quilt top to complete the addition of border #3.
15. Sew Borders #4, #5 and #6 to the quilt top in the same manner as borders #1 and #2.
16. Center and sew borders #7 to each side of the quilt top, stopping 1/4" from the end of border #6. There will be excess fabric extending over the end of each side of the quilt. Miter the corners and trim away excess fabric. Press seams.
17. Layer the quilt top, batting and backing. Quilt the layers together. Bind the edges to complete the quilt.
