Assembly Note

This quilt uses a large number of Half-Square Triangles (HSTs). In order to make the piecing organized and the fabrics accurately placed within the quilt, the quilt is pieced block by block, rather than with long rows of HSTs. Each block will measure 15-1/2" unfinished.

Half-Square Triangle Assembly Instructions

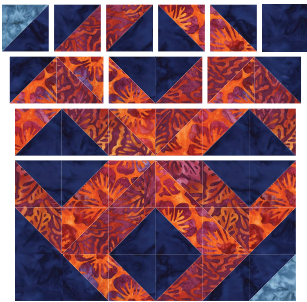

Use this technique to assemble all HSTs within the quilt. Use the 3-1/2" squares for all HSTs.

Pair a 3-1/2" Fabric A square with a 3-1/2" Fabric B square, RST. Mark a diagonal line on the wrong side of one square. Sew 1/4" away from both sides of the marked line. Cut on the marked line, creating two half-square triangles (HSTs). Press toward the darker fabric. Trim to 3" square. Repeat to make forty-eight A/B HSTs.

Set these aside for use within some blocks and the borders.
