## Mitering Corners

**Step 1:** Measure your quilt and make adjustments as needed to the lengths of the border strips.

**Step 3:** Center and sew the two long border strips to opposite long sides of the quilt.

**Step 5:** Match the short end of the border strips to each other (indicated by arrows in diagram). Pin to secure match.

**Step 6:** Sew directly on the crease. Trim excess leaving 1/4" seam allowance. Press border strips.

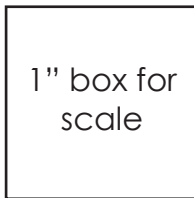

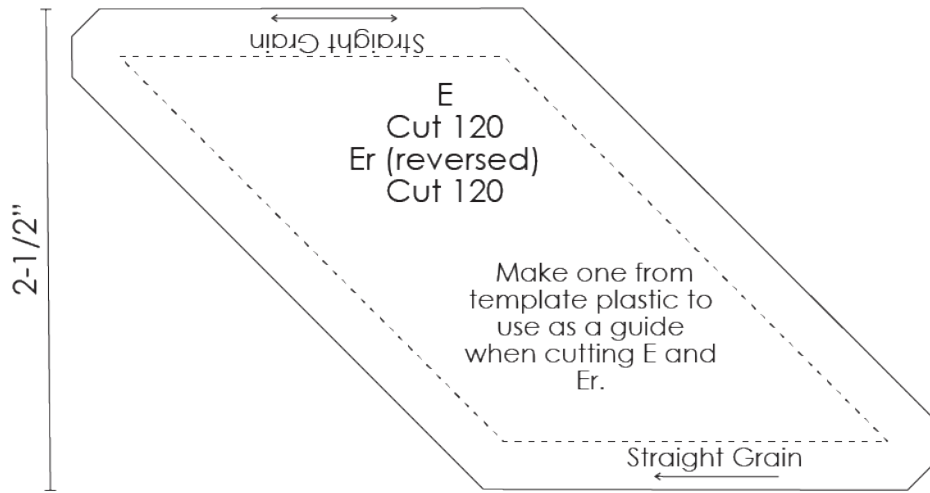

**CUTTING TIP:** Spray the section the 2-1/2" wide strips are to be cut from with Magic Sizing™ or light spray starch before cutting the strips.

Cut 2-1/2" wide x WOF strips of the natural print with each strip folded right sides together. Using the E template, cut the strips into E and Er pieces. This will yield the necessary mirror image pieces.
