Prepare the Templates

Step 1: Copy all templates at 100%.

Step 2: On the fusible web, trace the indicated number of each Template, as instructed on the Template sheets. Be sure to note the quantity. Tip: In addition to the piece number, include the fabric letter shown on the Template. This will help you to ensure you are fusing it to the correct fabric.

Step 3: Cut out each traced shape, leaving 1/4"-1/2" of excess fusible web outside the marked lines. You will NOT cut on the marked/traced lines at this point.

Step 4: Follow in the steps below to fuse each piece to the appropriate fabric. Fuse, following the manufacturer's instructions, then cut out each shape on the marked line.

Assemble the Bear Paw Blocks

Step 1: Pair a 2-1/2" Fabric A square with a 2-1/2" Fabric G square, RST. Mark a diagonal line on the wrong side of one square. Sew 1/4" away from both sides of the marked line. Cut on the marked line, creating two half-square triangles (HSTs). Press toward the darker fabric. Trim to 2" square. Repeat to make thirty-two A/G HSTs.

Step 2: Repeat Step 1 to make:

thirty-two A/M HSTs

thirty-two A/L HSTs

thirty-two A/N HSTs

thirty-two A/J HSTs

sixteen D/G HSTs

sixteen D/M HSTs

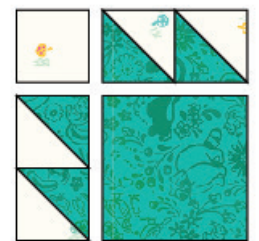

Step 3: Gather:

four A/G HSTs

one 2" Fabric A square

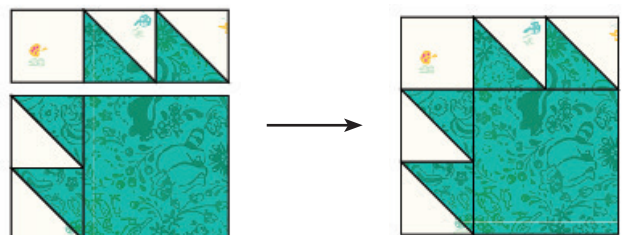

one 3-1/2" Fabric G square

Arrange as shown, noting the orientation of the HSTs. Sew the HSTs together as shown to form pairs. Press.

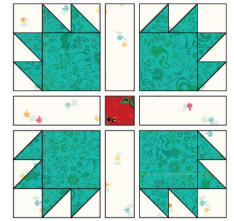

Sew the units together to form two rows. Press away from the HST pairs. Sew the rows together to form the larger unit. Press. The larger unit should measure 5" square.

Repeat to make four larger units.

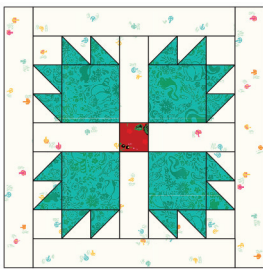

Step 4: Gather:
 four large units from Step 3
 four 2" x 5" Fabric A rectangles
 one 2" Fabric N square

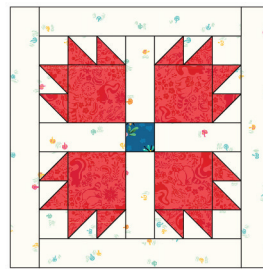

Arrange as shown in the Block Assembly Diagram. Sew the units together in three rows of three. Press the seams away from the Fabric A rectangles. Sew the rows together to form the block center. Press.

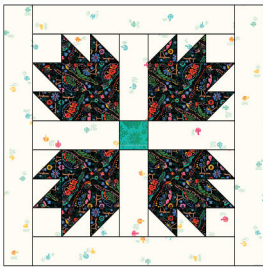

Step 5: Sew a 2" x 11" Fabric A strip to the top and bottom edges of the block. Press. Sew a 2" x 14" Fabric A strip to the left and right edges of the block. Press.
 The Bear Paw Block should measure 14" square. Repeat to make:

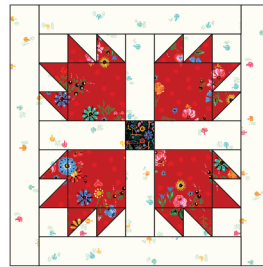

two Bear Paw Blocks
 from Fabrics A/G

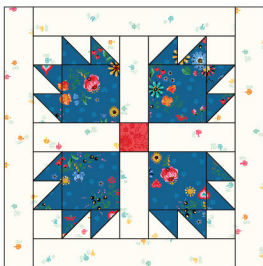

two Bear Paw Blocks
 from Fabrics A/M

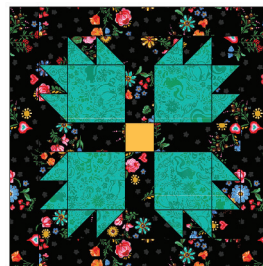

two Bear Paw Blocks
 from Fabrics A/L

two Bear Paw Blocks
 from Fabrics A/N

two Bear Paw Blocks
 from Fabrics A/J

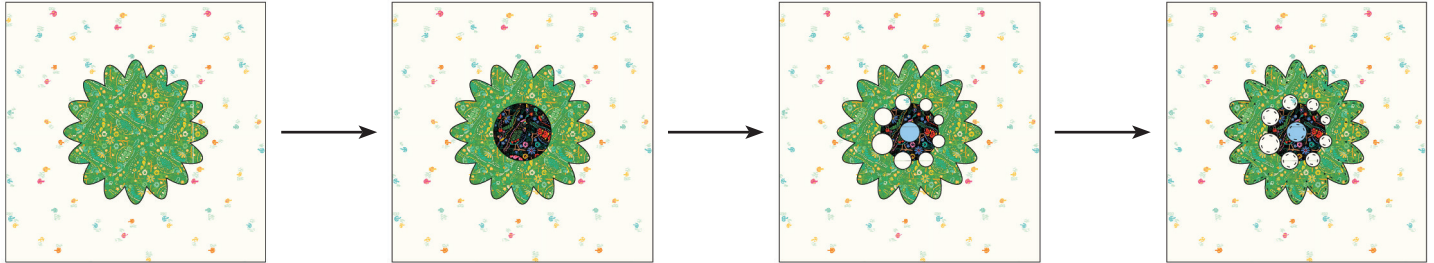

one Bear Paw Block
 from Fabrics D/G

one Bear Paw Block
 from Fabrics D/M

Assemble the Flower Blocks

Step 6: Using the Appliqué Placement diagram as a guide, place the assorted Template pieces in the pairings indicated. Pin in place. One piece at a time, peel the paper backing from the lower layer Template pieces and fuse to the 14" Fabric A squares. Continue by peeling the backing to the upper layer Template pieces and fusing to the Blocks as indicated in the Quilt Assembly Diagram. Edge stitch the templates to the block.

Repeat to make nine Flower Blocks in a Fabric A base and three Flower Blocks on a Fabric D base.

Assemble the Squirrel Panel

Step 7: Sew the 68" long Fabric A, B and C strips together. Press. Using the same process as described in Step 6, arrange, pin, press and stitch each Template piece in place.

Assemble the Quilt

Step 8: Arrange the blocks into four rows of five blocks to form the upper section of the Quilt Center. Note the fabric placement and block orientation in the Quilt Assembly Diagram.

Step 9: Arrange the blocks into one row of five blocks to form the lower section of the Quilt Center. Note the fabric placement and block orientation in the Quilt Assembly Diagram.

Step 10: Sew the lower section to the Squirrel Panel, then sew the upper section to the unit to form the quilt center. Press.

Step 11: Sew the side inner borders to the sides of the quilt center. Press toward the borders. Sew the top and bottom inner borders to the quilt center. Press toward the borders.

Step 12: Sew the side outer borders to the sides of the quilt center. Press toward the borders. Sew the top and bottom outer borders to the quilt center. Press toward the borders.

Your quilt top is complete! Baste, quilt, bind and enjoy!
