Prepare the Templates

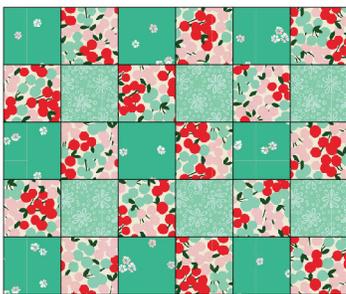

Step 1: Copy all templates at 100%.

Step 2: On the fusible web, trace the indicated number of each Template, as instructed on the Template sheets. Be sure to note the quantity. *Tip: In addition to the piece number, include the fabric letter shown on the Template. This will help you to ensure you are fusing it to the correct fabric.*

Step 3: Cut out each traced shape, leaving 1/4"-1/2" of excess fusible web outside the marked lines. You will NOT cut on the marked/traced lines at this point.

Step 4: Follow in the steps below to fuse each piece to the appropriate fabric. Fuse, following the manufacturer's instructions, then cut out each shape on the marked line.

Assemble the Placemats

**Step 5:** Gather:

nine Fabric E squares

fifteen Fabric A squares

six Fabric J squares

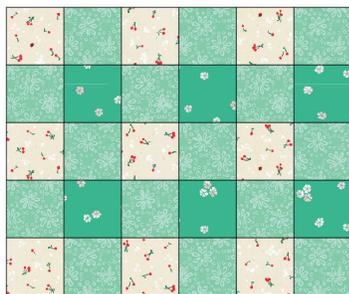

Arrange in five rows of six, as shown, noting the fabric placement in the diagram.

Step 6: Sew the squares together to form the rows, pressing the seams in opposite directions every other row.

Step 7: Sew the rows together, nesting the seams and pressing the row seams to one side.

The resulting Placemat base should measure 15-1/2" x 18-1/2".

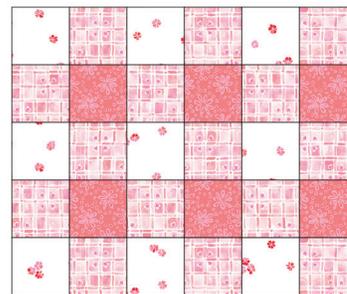

Step 8: Repeat Steps 5-7 to make Placemats 2-4, using the fabric placements shown here.

Assemble the Runner

Step 9: Gather:

forty Fabric A squares

twenty-four Fabric H squares

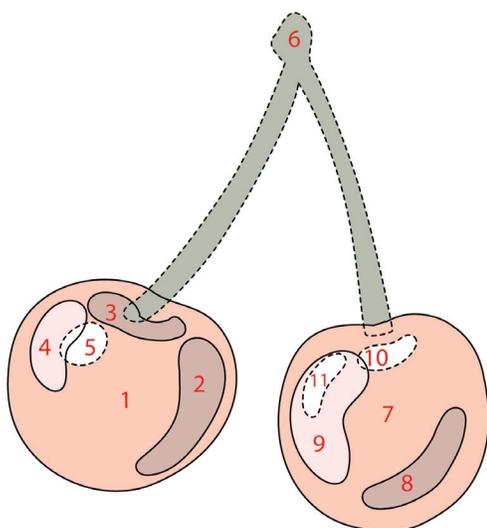

sixteen Fabric E squares

Arrange in five rows of sixteen, as shown, noting the fabric placement in the diagram.

Step 10: Sew the squares together to form the rows, pressing the seams in opposite directions every other row.

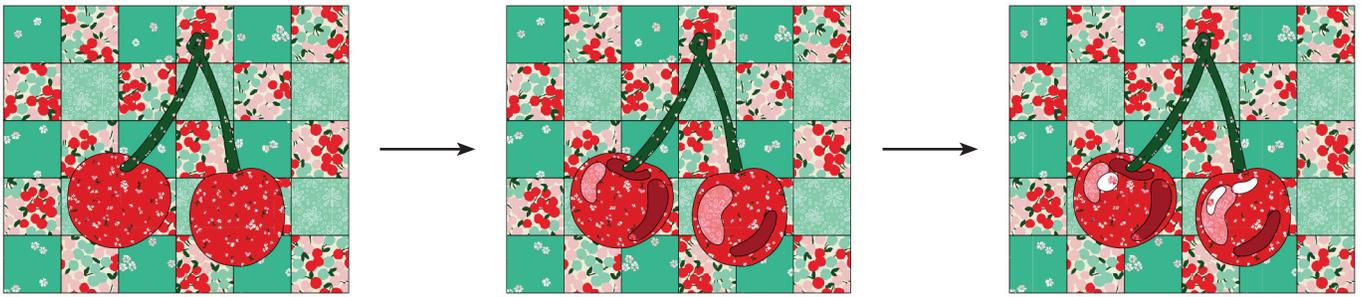

Step 11: Sew the rows together, nesting the seams and pressing the row seams to one side.

The resulting Placemat base should measure 15-1/2" x 48-1/2".

Step 12: Using the Appliqué Placement diagram as a guide, place the assorted Template pieces in the pairings indicated. Pin in place on their respective Placemats or Runner.

One piece at a time, peel the paper backing from the lower layer Template pieces and fuse to the base. Continue by peeling the backing to the upper layer Template pieces and fusing to the base as indicated in the Quilt Assembly Diagram.

Edge stitch the templates to the block.

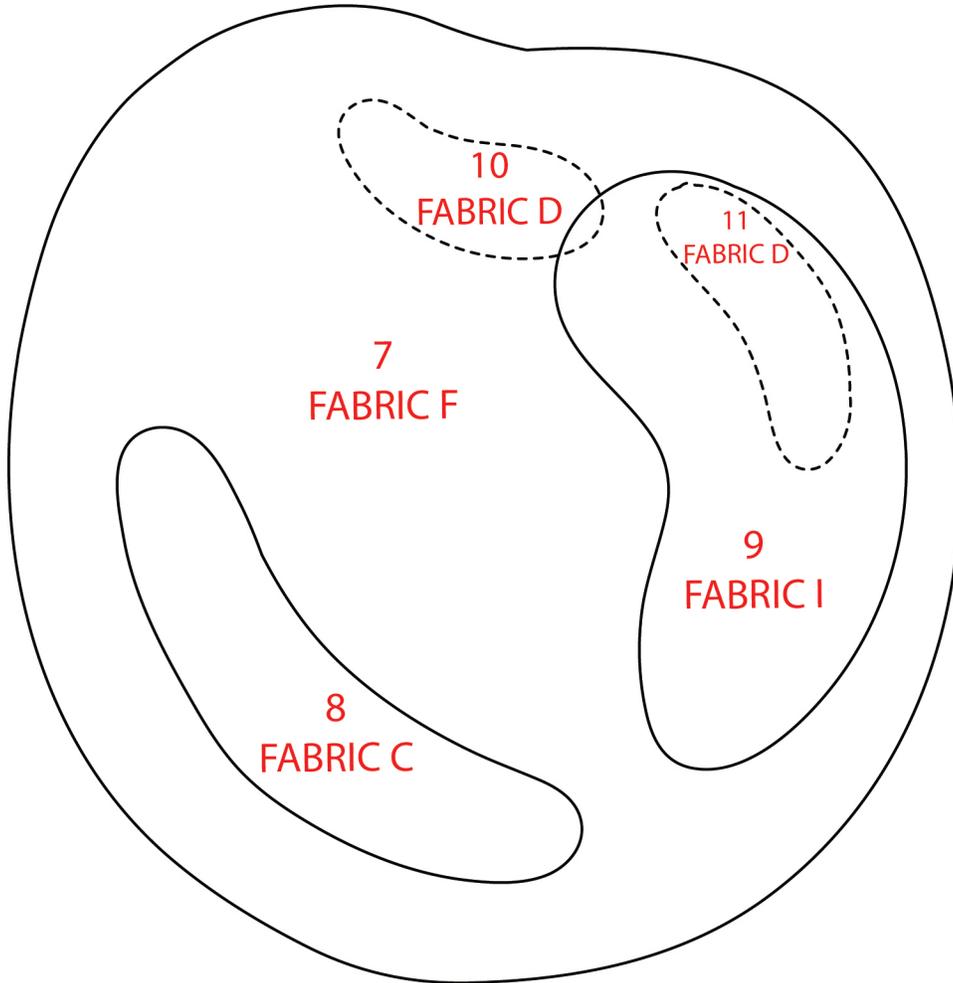

Repeat for all four Placemats and the Runner, using the cover image as a placement guide.

Your Placemats and Runner tops are complete! Baste, quilt, bind and enjoy!
